**SYNOPSIS OF LAND ACT AMENDMENT**  
Pre-emption now confined to surveyed lands only.  
Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.  
Partnership pre-emption abolished, but parties of not more than four may arrange for adjacent pre-emption, with joint residence, but each making necessary improvements on respective claims.  
Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.  
Whether in occupation not less than 2 years, and has made proportionate improvements, he may, because of ill-health or other cause, be granted intermediate certificate of improvement and transfer his claim.  
Records without permanent residence may be issued provided applicant makes improvements to extent of \$300 per annum and records same each year. Failure to make improvements or record to operate as forfeiture. Title cannot be obtained on these claims in less than 5 years, with improvements of value of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.  
Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his existing land, without improvement conditions, and residence maintained on Crown granted land.  
Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and improvement conditions.  
For grazing and industrial purposes, areas exceeding 640 acres may be leased by one person or company.  
**PRE-EMPTORS' FREE GRANTS ACT.**  
The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.  
**TOWNSITE PROPERTY ALLOTMENT ACT.**  
Provision is made for the grant to persons holding uncompleted Agreements to Purchase from the Crown of such proportion of the land, if divisible, as the payments already made will entitle them to, to the sale price of the whole parcel. Two or more persons holding such Agreements may group their interest and apply for a proportionate allotment jointly. If it is not considered advisable to divide the land, an application for a proportionate allotment of land of equal value selected from available Crown lands in the locality may be made. These allotments are conditional upon payment of all taxes due the Crown or to any municipality. The rights of persons to whom the pur-chaser from the Crown has agreed to sell are also protected. The decision of the Minister of Lands in respect to the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1919. Any application made after this date will not be considered. These allotments apply to town lots and lands of the Crown sold at public auction.  
For information apply to any Provincial Government Agent or to

Deputy Minister of Lands,  
Victoria, B. C.
