Notice is hereby given that the reserve existing on that portion of Lot 1435, known as Lot 2510 by reason of a notice appearing in the British Columbia Gazette of December 27, 1907, is cancelled for the purpose of leasing said Lot 2510, Queen Charlotte District, to the British Canadian Lumber Corporation Limited for saw mill purposes.

G. R. NADEN, Deputy Minister of Lands, Department of Lands, Victoria, B. C., 14th May, 1918.

### SYNOPSIS OF LAND ACT AMENDMENT

Pre-emption now confined to surveyed lands only. Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partnership pre-emption abolished. But parties of not more than four may arrange for adjacent pre-emptions, with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.

Where pre-emptor in occupation not less than 3 years, and has made proportionate improvements, he may, because of ill-health or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued provided applicant makes improvements to extent of \$200 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained on these claims in less than 5 years, with improvements of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes, areas exceeding 640 acres may be leased by one person or company.

### PRE-EMPTORS' FREE GRANTS ACT.

The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

### TOWNSITE PROPERTY ALLOTMENT ACT.

Provision is made for the grant to persons holding uncompleted Agreements to Purchase from the Crown of such proportion of the land, if divisible, as the payments already made will cover in proportion to the sale price of the whole parcel. Two or more persons holding such Agreements may group their interests and apply for a proportionate allotment jointly. If it is not considered advisable to divide the land covered by an application for a proportionate allotment, an allotment of land of equal value selected from available Crown lands in the locality may be made. These allotments are conditional upon payment of all taxes due the Crown or to any municipality. The rights of persons to whom the purchaser from the Crown has agreed to sell are also protected. The decision of the Minister of Lands in respect to the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1918. Any application made after this date will not be considered. These allotments apply to town lots and lands of the Crown sold at public auction.

For information apply to any Provincial Government Agent or to G. R. NADEN, Deputy Minister of Lands, Victoria, B. C.

# Grow Your Own Vegetables

CITY people this year must help to grow their own food. Every pound of vegetables that can be produced in home gardens or vacant lots will be a positive addition to the supply of food. Moreover the cultivation of land in city, town and village will leave market gardeners and farmers free to grow wheat and other supplies for export.

It may be that the only contribution which you can make towards relieving the dire food needs of our Allies will be a vegetable garden. If 200,000 families in Canada would cultivate a garden of this kind it would mean a very important aggregate addition to our food supply.

In Montreal vegetables to the value of \$100,000 were grown on vacant lots last year. Calgary had over 1,100 lots under cultivation, covering an area of 200 acres. Splendid results were achieved in other cities.

There is even greater necessity for war gardens this year. Tremendous interest in the movement is reported from all parts of the Dominion. Are you a member of a vacant lot organization? If none exists in your community help to organize one.

Home garden and vacant lot cultivation is really needed and may truly be considered a patriotic service.

## Organized Efforts Will Bring Best Results

Decide here and now to have a war garden. Persuade your neighbours to do the same. All the tools necessary are a spade, rake and hoe. The cost of seeds is a trifle. Grow only standard vegetables such as potatoes, beans, peas, beets, carrots, parsnips, onions and lettuce.

By growing your own vegetables you can not only perform a patriotic duty, you can also help to control the high cost of living.

Write to your Provincial Department of Agriculture for pamphlets on gardening and any additional information.
