## SYNOPSIS OF

### LAND ACT AMENDMENT

Pre-emption now confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partnership pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions, with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.

Where pre-emptor in occupation not less than 2 years, and has made proportionate improvements, he may, because of ill-health or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued provided applicant makes improvements to extent of \$300 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained on these claims in less than 5 years, with improvements of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.

Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his record, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes, areas exceeding 40 acres may be leased by one person or company.

### PRE-EMPTORS' FREE GRANTS ACT.

The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

### TOWNSITE PROPERTY ALLOTMENT ACT.

Provision is made for the grant to persons holding uncompleted Agreements to Purchase from the Crown of such proportion of the land, if divisible, as the payments already made will cover in proportion to the sale price of the whole parcel. Two or more persons holding such Agreements may group their interests and apply for a proportionate allotment jointly. If it is not considered advisable to divide the land covered by an application for a proportionate allotment, an allotment of land of equal value selected from available Crown lands in the locality may be made. These allotments are conditional upon payment of all taxes due the Crown or to any municipality. The rights of persons to whom the purchaser from the Crown has agreed to sell are also protected. The decision of the Minister of Lands in respect to the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1919. Any application made after this date will not be considered. These allotments apply to town lots and lands of the Crown sold at public auction.

For information apply to any Provincial Government Agent or to

## WHY YOU SHOULD PAY YOUR MERCHANT CASH

(Registered in accordance with the Copyright Act.)

When you want to buy an article of goods of any kind whatsoever, you are well advised to take your cash in your hand to the merchant of your home community. He is entitled to both your cash and your confidence. There can be no gainsaying this statement. Were it not a fact that the home merchant gave his customers a four-square deal, then he could remain in business but a very short time.

There are a thousand good reasons why you should buy every possible article of goods from your home merchant, while there is not one good reason why you should sacrifice your home interests to build up a part of the country that has absolutely no interest in you apart from the cash it is able to extract from your pocket.

No constant patron of a big city catalogue store escapes being frequently victimized in one way or another, and it is a peculiar paradox of human nature that people will stand from strangers what they would not tolerate for an instant from the business man of their own community.

Take your cash constantly and consistently to the home merchant and give the distant mail-order establishment the go-by.

You will reap a heavy interest on the investment, both directly and indirectly, for such investment embodies the first principles of true economy.

The permanent prosperity and progressive development of your home community is, in this instance, the great essential asset which true economy embodies and lacking which your home community will cut a sorry figure in the country's great onward march.

Individually and collectively it is up to YOU!

By being loyal to the business institutions of your home community you are being loyal to yourself and your family and your nation.

Take your cash—always—to the man you know at home. If you desire credit appeal, for a change, to the big catalogue store.

Without question the methods of some merchants leave them open to criticism—some of them will even send away from home themselves for goods that could easily be obtained locally. But these are the exceptions. You have no honest alibi there.

We all know that it is the business men of a community who keep the ball rolling.

They are the backers of every good movement—the mainsprings of advancement and reform.

Thousands and thousands of people in this country have been helped over the rough places in their lives by the leniency and "accommodation" of the local merchant.

Ever stop to think of that?

Fortunately for everybody the cash system is very rapidly replacing the credit system; but the cash system to accomplish its true destiny to growth and economy must be one that circulates a community's cash within the community to the extent of every possible dollar.
