TRYING TO OPEN TAKU ROUTE INTO ATLIN COUNTRY

Juneau Newspaper Quotes Letter of F. H. Mobley, M. P. P., in Regard to Proposal.

In connection with the trip north into his constituency of Frank H. Mobley, M. P. P., the following from the Alaska Daily Empire will prove of great interest:

"The following message to E. P. Pond from F. H. Mobley, Atlin representative to the British Columbia Legislature, indicates that action will soon be taken in road building from the head waters of the Taku to Atlin Lake.

"Arrangements have been completed whereby the District Engineer, the mining engineer and possibly one of two members of the Provincial Government will visit Juneau en route to the Taku river early in August, arriving on the C. P. R. steamer August 7. We would be pleased to have you and other interested parties accompany us."

"While my efforts to interest the people of Atlin and Juneau in the project of opening the Taku route have extended over a period of years," said E. P. Pond, "no serious consideration was given to the proposition until the Alaska Territorial Road Commission commenced work last year. I have kept the British Columbia authorities informed of the progress made on the Alaska end of the road, and the fact that Captain Strong has proven the river navigable to headwaters. He is now building a light draft speed boat which will provide service on the river at the very low stages of the water.

"Our excursions have given people the opportunity to enjoy in a day scenic beauty that cannot be excelled by a trip down the Yukon river. Our efforts to attract attention to the commercial advantages to be gained by the people of Juneau may be appreciated in the near future when more thoroughly presented by the delegation representing the Atlin district. It is up to the people of Juneau to prove their recognition of the mutual advantages to be derived by the opening of the Taku river route."

DOROTHY DALTON AT THE WESTHOLME

Those who like a night of love and romance will have their opportunity tonight to see Dorothy Dalton in picture at the Westholme in "Love Letters." Miss Dalton is one of the stars of the Paramount circuit and picture fans are looking for her plays regularly. There is a color about them and a charm that is not obtainable in any other films.

The reel of comedy which goes with the feature will round out a good program which will doubtless prove attractive.

SHIPS FOR ALASKA

The Pacific Steamship Company has transferred one passenger boat, the Admiral Schley, from the California run to the Southeastern and Southwestern Alaska run. They have transferred the Goodrich, a freighter, from the Nome traffic, and have chartered the Lovejoy, a freighter, for the season to operate in Southeastern and Southwestern Alaska. This will give the Pacific Steamship Company five passenger boats and four freighters plying to and from Alaska. So far none of them call here.

PROCLAMATION

GEORGE THE FIFTH by the Grace of God of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the seas King, Defender of the Faith, Emperor of India—

To all to whom these presents shall come or whom the same may in any wise concern—Greeting.

A Proclamation of Conditional Amnesty respecting men belonging to Class 1, under the Military Service Act, 1917, who have disobeyed our Proclamation of 13th October, 1917, or their orders to report for duty, or are deserters, or absent without leave from the Canadian Expeditionary Force.

E. P. Pond
Deputy Minister of Justice
Canada.

WHEREAS, considerable numbers of men belonging to Class 1, under our Military Service Act, 1917, called out on active service in our Canadian Expeditionary Force for the defence of Canada under our proclamation of 13th October, 1917, although they have thus become by law soldiers enlisted in the Military Service of Canada,

Have failed to report for duty as lawfully required of them under the said Military Service Act and the regulations thereunder, including new Order in Council duly passed on April 20 last, or have deserted, or absented themselves without leave from our Canadian Expeditionary Force.

AND it is represented that the very serious and unfortunate situation in which these men find themselves is due in many cases to the fact that notwithstanding the information and warning contained in our proclamation aforesaid they have misunderstood their duty or obligation or have been misled by the advice of ill-disposed, disloyal or seditious persons; and,

WHEREAS, we desire if possible to avoid the infliction of the heavy penalties which the law imposes for the offences of which these soldiers have thus been guilty and to afford them an opportunity within a limited time to report and make their services available in our Canadian Expeditionary Force as is by law their bounden duty and as is necessary for the defence of our Dominion of Canada.

Now know ye, that we in the exercise of our powers and of our good will and pleasure in that behalf, do hereby proclaim and declare and cause to be published and made known that the penalties of the law will not be imposed or exacted as against the men who belong to Class 1 under our Military Service Act, 1917, and who have disobeyed our proclamation aforesaid or who have received notice from any of our registrars or deputy registrars to report for duty on a day now past and have failed so to report, or who having reported and obtained leave

of absence, have failed to report at the expiry of their leave or have become deserters from our Expeditionary Force, provided they report for duty on or before the Twenty-fourth Day of August, 1918.

And we do hereby strictly warn and solemnly impress upon all such men and as well those who employ, harbor, conceal or assist them in their disobedience, that if they persist in their failure to report, absence or desertion till the expiry of the last mentioned day, they will be pursued and punished with all the rigour and severity of the law, subject to the judgment of our courts-martial which will be convened to try such cases, or other competent tribunals, and also that those who employ, harbor, conceal or assist such men will be held strictly accountable as offenders and subject to the pains, penalties and forfeitures in that behalf by law provided for their said offence.

Provided, however, that nothing contained in this our proclamation is intended to release the men aforesaid from their obligation to report for duty as soon as possible or to grant them immunity from arrest or detention in the meantime for the purpose of compelling them to perform their military duty, our intention being merely to force or remit the penalties heretofore incurred for failure to report, absence without leave or desertion incurred by those men of the description aforesaid who shall be in the proper discharge of their military duties on or before the said Twenty-fourth Day of August, 1918.

Of all of which our loving subjects and all others whom these presents may concern are hereby required to take notice and govern themselves accordingly.

In testimony whereof we have caused these our letters to be made patent and the great seal of Canada to be hereunto affixed.

WITNESS—Our right trusty and entirely beloved cousin and counsellor, Victor Christian William, Duke of Devonshire, Marquis of Hartington, Earl of Devonshire, Earl of Burlington, Baron Cavendish of Hardwicke, Baron Cavendish of Keighley, Knight of Our Most Noble Order of the Garter, one of our Most Honorable Privy Council, Knight Grand Cross of Our Most Distinguished Order of Saint Michael and St. George, Knight Grand Cross of Our Royal Victorian Order, Governor-General and Commander-in-Chief of Our Dominion of Canada.

At our Government House, in our City of Ottawa, this first day of August, in the year of our Lord, one thousand nine hundred and eighteen, and in the ninth year of our reign.

By command.

James Mackey

Under-Secretary of State.
