

CONSTANT PAIN AFTER EATING

The Tortures of Dyspepsia Corrected by "Fruit-a-tives"

St. MARTIN'S, N.B.

"For two years, I suffered tortures from *Severe Dyspepsia*. I had constant pains after eating; pains down the sides and back; and horrible bitter stuff often came up in my mouth.

I tried doctors, but they did not help me. But as soon as I started taking 'Fruit-a-tives', I began to improve and this medicine, made of fruit juices, relieved me when everything else failed."

Records will be granted covering only land suitable for agricultural purposes which is non-forest land.

Partnership pre-emption abolished, but parties of not more than four may exchange for adjacent pre-emptions, with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.

Title cannot be obtained on these claims in less than 5 years, with improvements of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.

Pre-emptor holding Crown Grant may record another pre-emption, if he reserves land in conjunction with his pre-emption, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

THIRD CONVENTION OF VANCOUVER MILL

Big Staff Enjoys Talks on Business Subjects — Promotions Announced at Dinner.

The third annual convention of the Executive and staff of the Vancouver Milling Company, Ltd., was held Saturday at the Terminal City. The Vancouver Hotel was the scene of the big business gathering which closed with a theatre party. Regret was expressed at the absence of Robert McKee, the popular assistant general manager who is in New York on Company business.

The convention was opened by J. E. Hall, general manager, who in well-selected terms outlined the progress of the company during the past year. Mr. Hall was followed by L. A. Walker who has just been chosen assistant to Mr. McKee in the Foreign department. Mr. Walker's subject was "The Ideal Branch Manager." O. B. Fleming addressed the convention on "The City Salesman," while Mr. Whitney discussed "Salesmanship."

A. A. Hoen, the company's chemist, gave an interesting talk on "War Substitutes" which was thoroughly enjoyed. A. L. Gallopy, head of the company's advertising agency, addressed the convention on "Our Advertising Policies." Mr. Gallopy was followed by an interesting debate between W. Lloyd Craig and A. G. Foreman on "Resolved: That the Head Office Supervision over Branches and Agencies is preferable to independent operation." The debate was won by Mr. Foreman who took the negative.

After an afternoon of sports, the convention was again addressed by J. E. Hall on "Economic Conditions," after which the convention closed with a theatre party.

SPHAGNUM MOSS

"Sphagnum Moss for the wounded at the front from Prince Rupert, B. C.," is the label on the car load that is going forward to Toronto. Everyone is familiar with the manner in which the Red Cross Society under Judge Young, the president, organized the bee to gather the moss and then what strenuous work was the drying and packing. Now it is all away and doubtless will prove very useful for the binding up of wounds and other purposes at the front.
