AMERICA'S PEACE TERMS

ALLIES WILL PROBABLY SEND JOINT REFUSAL TO AUSTRIA-HUNGARY

PRESIDENT WILSON'S REPLY TO AUSTRIA'S PROPOSAL FOR A PEACE CONFERENCE

LAYS DOWN CLEARLY TERMS ON WHICH WAR CAN END
AT ANY TIME IF CENTRAL POWERS
ARE READY

(Special to The News via G. T. P. Telegraphs.)

Washington, September 18.—President Wilson's reply to Austria's proposed peace conference calls attention to the President's previous utterances to the effect that before the Central Powers can have any peace they must accept the principles of, No secret treaties; freedom of the seas, except to suppress predatory nations that fail to respect international covenants; the removal of all trade barriers; reduction of armaments; adjustment of colonial claims with reference to the wishes of the governed population; the evacuation of should be couched." All the London newspapers endorse Mr. Balmont of economic control therein; independence of Belgium, with indemnification; restoration of Alsace-Lorraine; readjustment of Italy's frontiers; autonomous government for the different nationalities of Austria-Hungary; evacuation of Roumania, Serbia and Montenegro; relinquishment of Turkish control of non-Turkish populations; an independent Polish state; and finally, a league of nations to guarantee political independence and territorial integrity to great and small states alike.

That the Allies will probably make a concerted reply, refusing the Austrian proposal along the lines of President Wilson's note, was learned from reliable sources here yesterday evening.

General Smuts, premier of South Africa, is expected to go to the United States soon to establish personal relations with President Wilson.

BOLSHEVIKI PERFIDY SHOWN

German Trickery was Successful
in Preventing Spread of Doc-
trines and at Same Time
Holding Leaders.

(Special via G. T. P. Telegraphs.)

Washington, Sept. 18.—German trickery is breaking Ukraine away from the bought and paid for Bolshevik Government. Plots against the loyal Russian soldiers and their leaders to insure the complete German sway after the false peace conference at Brest-Litovsk and further evidence of the precautions of the Teutons against Bolshevik preachings in their own ranks, are shown in the latest instalment of secret service documents from Russia made public by the United States Government.

Communications written in January disclose that the Bolsheviks were fully informed of what the Germans were doing in Ukraine and knew that peace treaties with Ukraine and Roumania were coming. They also learned quickly enough that Germany was disposing of their hopes to see their revolutionary propaganda take root on German soil.

BULGARIAN DIVISIONS MAY BE RECALLED FROM THE WEST TO MEET SERB ONSLAUGHT

(Special to The News via G. T. P. Telegraphs.)

London, Sept. 18.—While the Serbs and French allies are wrestling from the Bulgars some of the strongest positions they have held in Macedonia for the past two years, Marshal Foch's forces are nibbling successfully at the German lines on the western front in the face of more determined resistance.

The near East furnishes the most sensational news of the day, however. The offensive which has been launched there seems not only the most successful, but the most pretentious in many months. It appears probable that a further advance by Franco-Serbian troops will necessitate the recall of the Bulgarian divisions which have been loaned to Emperor William to bolster up the Teutonic resistance in France and Flanders.

An official Serbian report declares that the reconstituted army of the battered, but not beaten, little kingdom has taken not only 3,000 prisoners, but an important park of cannon. The Bulgars admit having retired but declare the attack has been checked to north of Gradeshnitsa. There is nothing to indicate, however, that the advance of the Serbs and French has been definitely held up. A lull in the fighting in the west is regarded by military critics as merely a prelude to further heavy blows at the foe by the British, American and French armies.

CROWNING CEREMONY OPENS THE PERIOD OF FESTIVITY ACCOMPANYING FALL FAIR

MAYOR McClymont PLACES DIADEM ON HEAD OF QUEEN
ELECT AS SHE KNEELS BEFORE THE THRONE
SURROUNDED BY HER MAIDS
OF HONOR

Amid the plaudits of an admiring throng the bejewelled diadem was gracefully placed on the head of Miss Margaret Westman and she was declared queen of the Carnival and reigning beauty of the three days of festivity by Mayor McClymont this afternoon in the Exhibition Building, where a throne had been erected for the purpose.

The queen who was beautifully gowned in white satin trimmed with ermine and with a robe of purple lined with gold, entered the hall at the appointed time from the rear door attended by her maids of honor.

Miss Margaret Allan and Miss Florrie Jones, of Anyox, beautifully attired preceded the queen, the former carrying the crown and sceptre on a white satin cushion with gold tassels, and the latter the purple cushion on which the queen was to kneel. The trains were borne by little Laura Frizzell and Katherine Harvey dressed in white and following them were the other maids of honor, Miss Isabel Kelly and Miss Grace Shackley.

It was a galaxy of grace and beauty splendidly gowned, such as is seldom seen, and all carried out their parts with becoming dignity. The girls who preceded the queen wore pink georgette crepe with Gainsborough hats and those following were gowned in blue of the same material. The spectacle was one to be remembered.

A brief address of welcome to the queen was made by the mayor and then the diadem was placed on her head as she knelt in front of the throne. When she was seated the maids of honor were introduced by the Mayor and each was presented with the prize she had won in the contest.

Cushions to Be Raffled. A further interesting ceremony was the presentation of the cushions; the white one to the Red Cross, which was received on its behalf by Miss Rorvik in Red Cross costume, and the other to the Ladies Auxiliary to the G. W. V.A., it being received by Miss Kenny.

The national anthem closed the proceedings except for the cheers for the queen which were led by Mayor McClymont, who, in orthodox fashion, shouted: "Hail to the Queen!"
