AMERICANS TO REPORT UNDER NEW DRAFT LAW**Failure to Do So Leaves Them Liable to Conscription in Canada.****3,000 ARE AFFECTED HERE AND ON ISLANDS**

In answer to a representative of the "News" who requested a statement for publication as to the conditions governing the registration in Canada of American citizens for military service in the United States, Geo. M. Hanson, the American Consul here, has authorized the following:—

"All American male citizens in Canada, between the ages of 21 and 30 years inclusive, who have not already registered for military service in the United States, must either do so or return to the United States before September 28, unless they prefer to serve in the Canadian army. After registering for military service in the United States all Americans between 21 and 30 inclusive may remain in Canada until they are called for service in the States. Any one who is not called may remain here indefinitely without incurring the liability of military service in Canada. The registration referred to above is under the American draft law of 1917.

Return or Register.

"The new draft law in the States includes American male citizens who are 18, 19, and 20 years of age and also all those between 31 and 45 years, inclusive. These must either return to the States or register at an American Consulate on or before October 12, 1918. Failure to do so renders them liable for service in the Canadian army.

"After the Americans who are between 18 and 45 inclusive have registered for military service in the United States, they are automatically exempted from the liability of service in Canada. They will be classified by their local boards in the States and called for service as the different classes are reached.

Must Report.

"It will be the duty of all registered Americans to report to the Canadian registration officer, R. S. Lennie, 736 Granville Street, Vancouver, B. C., either in person or by letter, before October 22, 1918, and notify him that they have registered under the United States Selective Service Act. Those who fail to do so are subject to a heavy fine."

Mr. Hanson says he has appointed five deputy registration officers on the Queen Charlotte Islands, two in Yukon Territory, and one each at Anyox and Prince George, and that every facility possible will be offered to accommodate Americans at the mines and in the lumber camps, so that they will not have to make a special trip to this city.

Many Americans Here.

On account of the large number of Americans employed in getting out spruce on the Islands it is believed that the number subject to the American draft laws in this consular district will probably reach 3,000.

Sunlight Soap**She lets Sunlight do the work****Read Sunlight \$5000 guarantee of purity****Sunlight dispels the shadow that once hung over wash day**

IN fact many women do not say "wash day" any more. They say "Sunlight Day". It's a genuine pleasure to use Sunlight Soap because it means an economical wash, it means a quick wash. Why? Because, Sunlight is absolutely pure—you need only half the quantity as compared with ordinary soaps, nor will Sunlight harm any delicate fabrics, or hurt your hands. And it really takes the labour out of the washing in surprisingly little time as you will see by following the directions.

SYNOPSIS OF LAND ACT AMENDMENT

Pre-emption now confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partnership pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions, with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.

Where a pre-emptor in occupation not less than 5 years, and has made proportionate improvements, he may, because of ill-health or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued provided applicant makes improvements to extent of \$300 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained on these claims in less than 5 years.

Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homestead; title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes, areas exceeding 640 acres may be leased by one person or company.

PRE-EMPTORS' FREE GRANTS ACT.

The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

TOWNSITE PROPERTY ALLOTMENT ACT.

Provision is made for the grant to persons holding uncompleted Agreements to Purchase from the Crown of such proportion of the land, if divisible, as the payments already made will cover in proportion to the sale price of the whole parcel. Two or more persons holding such Agreements may group their interests and apply for a proportionate allotment jointly. If it is not considered advisable to divide the land covered by an application for a proportionate allotment, an allotment of land of equal value selected from available Crown lands in the locality may be made. These allotments are conditional upon payment of all taxes due the Crown or to any municipality.

The rights of persons to whom the purchase from the Crown has agreed to sell are also protected. The decision of the Minister of Lands in respect to the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1919. Any application made after this date will not be considered. These allotments apply to town lots and lands of the Crown sold at public auction.
