SKEENA LAND DISTRICT—DISTRICT OF QUEEN CHARLOTTE ISLANDS.

TAKE NOTICE that I, John McLarty Macmillan, of Vancouver, B. C., occupation canneryman, intends to apply for permission to lease the following described lands: Commencing at a post planted on the south shore of Lapoon Bay, Moresby Island, about one mile from its mouth, thence south 20 chains, thence west 20 chains, thence north 20 chains, thence easterly along the shore line to point of commencement, containing 40 acres more or less.

JOHN McLARTY MACMILLAN.
Dated June 20th, 1918.

SYNOPSIS OF LAND ACT AMENDMENT

Pre-emption now confined to surveyed lands only. Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partnership pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions, with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.

Where a claimant in occupation not less than 5 years, and has made proportionate improvements, he may, because of ill-health or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued provided applicant makes improvements to extent of \$300 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained on these claims in less than 5 years, with improvements of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.

Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvement made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes, areas exceeding 640 acres may be leased by one person or company.

PRE-EMPTORS' FREE GRANTS ACT.
The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

TOWNSITE PROPERTY ALLOTMENT ACT.
Provision is made for the grant to persons holding uncompleted Agreements to Purchase from the Crown of such proportion of the land, if divisible, as the payments already made will cover in proportion to the sale price of the whole parcel. Two or more persons holding such Agreements may group their interests and apply for a proportionate allotment jointly. If it is not considered advisable to divide the land covered by an application for a proportionate allotment, an allotment of land of equal value selected from available Crown lands in the locality may be made. These allotments are conditional upon payment of all taxes due the Crown or to any municipality. The rights of persons to whom the purchases from the Crown has agreed to sell are also protected. The decision of the Minister of Lands in respect to the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1919. Any application made after this date will not be considered. These allotments apply to town lots and lands of the Crown sold at public auction.

For information apply to any Provincial Government Agent or to
G. R. NADEN,
Deputy Minister of Lands,
Victoria, B. C.

DR. REID MAY RESIGN IN THE NEAR FUTURE

An Ottawa dispatch stated that it is reported that Dr. Reid, Minister of Railways, will retire from the Union Government. He was Minister of Customs under the former Conservative Government and was one of the men to whom the Liberals who joined with Premier Borden to form the coalition took exception. It has been generally anticipated that he and Mr. Carruthers would resign in the near future. He is now in California.

"Fresh as new, my dear— and I washed it myself"

"It's my old georgette—another tussle with the washer-woman and I believe it would have fallen to pieces. So, of course, as we must all make the old things do and save our money for Victory Bonds, I thought I'd wash it, myself, with Sunlight. Or rather—let Sunlight wash it, for there's no need of any rubbing—just soaping and rinsing. And see—isn't it just lovely? Fresh as new, isn't it? I'm delighted."

Sunlight Soap

The purity of Sunlight is such that it will not fade or discolor anything washable—it contains absolutely no fillers or adulterants—it is the most economical soap your money can buy. It's all soap.

The fishing boats arriving yesterday included the Director with 3,000 lbs.; Fisher, 6,000 lbs.; Bravo, 6,000 lbs.; Viking, 3,000 lbs.; J. Baker, 4,500 lbs.; Unity, 3,000. The Eagle brought in 4,000 salmon.

Herbert Cuthbert, secretary of the Pacific Northwest Tourist Association, telegraphs from Victoria to the editor of the News as follows: "Riley's eloquence and pictures are truly wonderful. Try to make the lecture a success."

James Myhill-Jones, who has been spending the last few days in the city leaves again today for the Queen Charlotte Islands. The outdoor life on the ocean wave appeals to John Myhill much more than sticking around Third avenue amid the scent of leather.

E. Safstrom and Gust Spar were gathered in by the police suffering from incipient alcoholic poisoning. They appeared before Magistrate Carss yesterday morning to answer to the uncommon charge of being drunk. The evidence led was conclusive and they were fined \$25 and \$40 respectively. John Engkvist also appeared on a charge of having liquor in his possession in a place other than permitted under the act. He was fined \$75.

The Price Rupert Engineering and Supply Co. are busily engaged installing a "Delco" lighting system on board the launch "Walrondo." This launch, which is one of the best in northern B. C. waters, belongs to the Dominion Government Public Works department and is at present being used by the Imperial Munitions board. It was a "Delco" plant which lighted the Exhibition Hall during the fair, where it gave such brilliance, and the smaller plants are equally satisfactory.

"Do you mind our smoking?"
"No, indeed—not so long as you smoke PLAYER'S NAVY CUT CIGARETTES. Their delightful fragrance makes me fancy I am at home in England."

The mild, but remarkably satisfying aroma of these cigarettes—their unusual richness and coolness, have made them Canada's favorite smokes.

Virginia leaves have never been blended so skillfully or manufactured so carefully. They are ideal cigarettes. All dealers sell them.
