

31 Years Older Than The Dominion of Canada

As the name implies, The Bank of British North America was established long before the Provinces united and became the Dominion of Canada. The sound, progressive management which has made it a power in Canadian finance makes it the bank for your account.

TOMMY BURNS MEETS WITH GOOD RECEPTION

Tommy Burns, ex-champ pugilist, boxing instructor, and all round sport, is well pleased with his new venture here in Prince Rupert. His continuous entertainment at the Empress cabaret is drawing good crowds and his patrons seem to be pleased with what they get. Among the entertainers are Miss Neva Latham, lyric soprano, the girl with the voice and personality, whose singing is popular always; Dixie White, the comedienne who was here with the Bostonians; Chrystal Bell from the Orpheum and Pantages circuits, who does vaudeville stunts to perfection; Miss West of Frisco well known all along the coast, and a number of other musicians. There is something doing all the time and on Saturday night the show stops at midnight to the minute.

Tommy is anxious for everyone to know that while he is running a high-class establishment everyone is invited and no one is debarred just because of his clothes.

CLOCKS MOVE BACK LAST DAY OF MONTH

The clocks of the United States will go back to the original time on October 26, and Canada will follow five days later. Therefore in the absence of any official notification to the contrary Prince Rupert people will require to place their clocks back exactly sixty minutes after the first hour on Thursday, October 31.

That the advance of the hour during the summer months has been an inestimable boon to all lovers of the great outdoors goes without saying, while the statistician will doubtless come along in the very near future with an interesting digest showing to the last cent the amount of fuel saved in Canada as a result of six months with an additional hour of daylight saved daily.

"TEMPERED STEEL" AT THE WESTHOLME

Madame Petrova is the great star to be screened at the Westholme Theatre this evening. Wherever the great Petrova is shown on the screen there are full houses. She has made her way to the forefront in the estimation of the public. In this play "Tem-

Mme Petrova

pered Steel," she obtains another opportunity for the display of her great powers, which is fully taken advantage of. The play is a sensational one, full of dramatic incidents, and absorbingly interesting from the first reel to the end. There is as well a two-reel comedy and a splendid gazette which gives views of the ancient and historic city of Quebec. "Old" Canada ought to prove interesting to modern Canadians.

DR. HOYT IS HERE AND WILL PRACTICE

A new professional man came to town recently in the person of Dr. R. V. Hoyt, an eye specialist, graduate of Chicago and a post graduate of Philadelphia and licensed to practise in the state of Washington.

Dr. Hoyt has allied himself in business with Max Heilbrunner, optometrist and optician, and has already commenced practice here. Being an experienced man and having taken the most recent courses in eye testing, he is in a position to give those needing it exactly similar expert advice to that which could be secured in the big cities.

Provincial Constable Watkinson of Port Simpson arrived in town last evening.

SYNOPSIS OF LAND ACT AMENDMENT

Pre-emption now confined to surveyed lands only.
Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.
Partnership pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions, with joint residence, but each making necessary improvements on respective claims.
Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.
Where pre-emptor in occupation not less than 5 years, and has made proportionate improvements, he may, because of ill-health or other cause, be granted intermediate certificate of improvement and transfer his claim.
Records without permanent residence improvements to extent of \$300 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained on these claims in less than 5 years, with improvements of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.
Pre-emptor holding Crown Grant may receive another pre-emption, if he requires land in conjunction with his farm, without occupying or recording statutory improvements made and residence maintained on Crown granted land.
Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and improvement conditions.
For grazing and industrial purposes, areas exceeding 640 acres may be leased by one person or company.
PRE-EMPTORS' FREE GRANTS ACT.
The scope of this Act is enlarged to include persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.
TOWNSITE PROPERTY ALLOTMENT ACT.
Provision is made for the grant to persons holding uncompleted Agreements to Purchase from the Crown of such proportion of the land, if divisible, as the payments already made will cover in proportion to the sale price of the whole parcel. Two or more persons holding such Agreements may group their interests and apply for a proportionate allotment jointly. If it is not considered advisable to divide the land covered by an application for a proportionate allotment, an allotment of land of equal value selected from available Crown lands in the locality may be made. These allotments are conditional upon payment of all taxes due the Crown or to any municipality. The rights of persons to whom the allotment from the Crown has agreed to sell are also protected. The decision of the Minister of Lands in respect to the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1919. Any application made after this date will not be considered. These allotments apply to town lots and lands of the Crown sold in public auction.
For information apply to any Provincial Government Agent or to
G. R. NADEN,
Deputy Minister of Lands,
Victoria, B. C.

The money is yours!

You have earned it. But—

Will you use it for Canada or against Canada? Will you save your money and help to shorten the War? Or will you buy what you want, go wherever your pleasure dictates, dress as well or better than you always have dressed, indulge such whims as you can afford?

You must choose

The money is your own to do as you like with. But when you buy what you do not need—urgently need—your money actually works against Canada. For, it represents precious materials and labor, both of which are absolutely essential to the army. Your money uselessly spent delays all-important war work—merely for your self-indulgence.

You would not, knowingly, stop the progress of Canada's war efforts. You would not prolong the war. You would not let your money work for Germany. But

it is possible that unwittingly you are doing this very thing.

Remember Canada's need.

Let not Canada's sacrifice go for naught.

Thrift, self-denial, patriotic privation, give us who stay at home the glorious privilege of a share in the great struggle for human freedom.

Save your money for Canada, and for Canada's fighting men.

Save your money to bring nearer that day we all long for—the Victorious end of the War.

Two Questions

With so many low-priced so-called anti-skids obtainable, would that great host of motorists pay more for Dunlop "Traction" Tread if they could get its merits elsewhere?

Also, would that other large list of car owners buy "SPECIAL" if tires which somewhat resemble it in appearance resembled it in efficiency?
