RED CROSS NOTES

Few people realize the work being done by the Seal Cove Branch of the Red Cross Society. Its resources are somewhat limited but a small band of faithful women "carry on" month after month. The splendid report of last year's work speaks volumes. Mrs. Blance president last year, owing to illness, did not desire re-election this year and Mrs. Montador has succeeded her as president. Mrs. Brown is the new vice-president, secretary.

Mr. Sorensen has turned over to the society \$15.00 representing in part the proceeds from the sale of a desk recently won by him. Mrs. Smith (Digby Island) has also sent \$2.00 for sale of flowers and Mr. A. C. Little, \$1.00 for the Prisoners of War Fund.

There are many pairs of socks awaiting completion in small details. This work may be obtained from Mrs. Dawson at the supply rooms on Thursday mornings.

The sale in the hut next Friday Il be in charge of Mrs. A. Haines

The Society desires to take this opportunity to thank the public; generally for their splendid support of Friday sales. At the annual meeting the convenor's rehad been realized from this source last year as against the sum of \$3,613 for the previous year. As the demand for homecooking and other food is increasing the public are kindly requested to remember this.

The sale last week which was in charge of the Ladies of the Eastern Star realized a sum of \$90.65 which includes a cheque from the Masonic Order for \$7.50,

When will it end?

Thousands upon thousands, endless thousands, hold their lives cheap as the price of Victorious Peace.

And we—as we watch from afar their heroic effortsmay we be able to say, that the little we at home could do, we have done;

-that in so far as we could support them, lighten their burdens, bring them comforts, we have done it;

-that we have striven unceasingly to shorten their stay in the Hun-made Hell;

-that freely, fervently, unitedly, we have laid our humble offerings alongside their noble sacrifices on the altar of Victory-and Peace.

Another opportunity to lend your individual weight to the blow that will shorten the war comes with the offering of Victory Bonds about to be made. Let not the privilege to do your share find you unprepared.
