You Never Know What A Man Will Do

Mrs. Williams has been using Pacific Milk for cooking a long, long time. Her husband got to using it in his morning coffee so they never buy fresh milk any more.

The other evening Mrs. W. bought some fresh cream to give him a treat (as she thought) with his porridge and to use with his coffee.

However, Mr. Williams didn't see it that way and when he discovered it was a different cream in the pitcher, he asked for the same as he'd been getting every morning—couldn't drink his coffee with the other "stuff."

FEW REGISTERING AS HOUSEHOLDERS

City Clerk Draws Attention to the Fact that Those Who Wish to Vote Must Put Names on List at Once.

At the meeting of the City Council last night Mr. Peters drew attention to the fact that although he had been staying at the City Hall on the evenings of Tuesday, Thursday and Friday for the convenience of those who wished to register as householders or licenseholders, so far only nine had availed themselves of the opportunity and all of these were men. So far not a woman had applied for registration.

Mr. Peters said that there were only nine days left in which those who wished to register would have the opportunity as the list closed absolutely on October 31 at 5 p.m.

CORPORAL SLAVIN KILLED IN ACTION

Son of Ex-Prize Fighter Was Formerly in the Yukon Where he was Well Known.

Corporal Frank Charles Slavin, son of the ex-prize fighter who now lives in Victoria and who also has been overseas to do his bit, has been killed in action, according to word just received.

Corporal Slavin was born in England twenty-six years ago and came to Victoria when he was 8 years of age. When the war broke out he was in the Northern Country, coming down with the Yukon Company, and transferring to the 231st Battalion, which after reaching the Old Country supplied reinforcements to the 72nd. He was a year in France and was through all the heavy fighting of the last 12 months.

A student of mining engineering, he had been in the Klondike for a time, and was engaged in dredging work in the Yukon. He had also been in the Coal Creek district, and all over the province had hosts of friends among prospectors and mining men, who will regret to learn of his death while carrying arms against the enemy.

Just Camouflage

What a place Prince Rupert is for kickers. The latest kick is that while all other places of amusement are closed the City Council is still allowed to continue its sessions.

According to the old story women always wanted the things that were forbidden. Eve stole the apple just because she was told to leave it alone. Later on she was told she should not vote, and she went after it and got it. It is not noticeable that women are particularly fond of apples now that they can get them whenever they want them, but it is noticeable that they do not care particularly for the vote. There are but nine people registered so far as licenseholders or householders in the city and not one of these is a woman.

Alderman Kirkpatrick has not faith in the efficacy of whisky as a medicine. Apparently she thinks the men who are applying for liquor to keep away the flu, are just looking for an opportunity to get a jag on contrary to the provisions of the Prohibition Act.

SYNOPSIS OF LAND ACT AMENDMENT

Pre-emption now confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-timber land. Partnership pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions, with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.

Where a pre-emptor in occupation not less than 2 years, and has made proportionate improvements, he may, because of ill-health or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued provided applicant makes improvements to extent of \$500 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained on these claims in less than 5 years, with improvements of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.

Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes, areas exceeding 640 acres may be leased by one person or company.

PRE-EMPTORS' FREE GRANTS ACT.

The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

TOWNSITE PROPERTY ALLOTMENT ACT.

Provision is made for the grant to persons holding uncompleted Agreements to Purchase from the Crown of such proportion of the land, if divisible, as the payments already made will cover in proportion to the sale price of the whole parcel. Two or more persons holding such Agreements may group their interests and apply for a proportionate allotment jointly, if it is not considered advisable to divide the land covered by an application for a proportionate allotment, an allotment of land of equal value selected from available Crown lands in the locality may be made.

These allotments are conditional upon payment of all taxes due the Crown or to any municipality. The rights of persons to whom the purchase money has been paid, and the sale are also protected. The decision of the Minister of Lands in respect to the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1919. Any application made after this date will not be considered. These allotments apply to town lots and lands of the Crown sold at public auction.
