TARIFFS AT OTTAWA

It is hoped that the first step toward a general world reduction of tariffs will be taken at Ottawa when the nations of the British Commonwealth will make reductions to each other for the purpose of fostering trade among playing Big League baseball until a double-header and went into themselves. If this is found to work successfully it is swift he is forty years old when he will fourth place again ahead of the themselves. If this is found to work successfully it is quite ties. It has been intimated for some Senators. probable that other combinations may be formed and that time that Ruth may become pilot of this eventually will be extended until a fiscal union of all probably assume manageria nations of the world will arrange the tariffs, if any should the Boston Red Sox although this then be considered necessary.

A FATEFUL WEEK

The present is a fateful week for it will see the opening Finnish Runners of the big Economic Conference at Ottawa at which all British nations will be represented. If it succeeds, this country as well as other nations of the Commonwealth will find itself once more on the road toward a more prosperus condition. In any event Canada should benefit from the Trainers Do Not Deny That Paavo gathering.

There are all sorts of rumors that Premier Bennett will make reasonable tariff concessions on manufactured goods in exchange for a market for Canadian wheat, lumber and fish. The product of the mines may also receive pic Games has arrived in Los Ansome preferential treatment. Any move that will stimu- geles. Trainers did not deny that late the marketing of Canadian natural products will be Paavo Nurmi had met with a servery welcome to the west.
