

Economically clean

She saved work—Sunlight Soap washed the clothes without rubbing. She saved time—she did other work while Sunlight did the wash. She saved money—Sunlight is an absolutely pure soap, therefore there is less soap used for washing than with ordinary soap, and less wear and tear of the clothes.

Sunlight is a war-time soap—it's so economical.

Y.M.C.A. WORK ON ISLANDS

Official Report on Work Tells of Activities of D. E. Hatt at Thurston and Masset.

The following is from an official Y. M. C. A. report sent out from headquarters at Vancouver: With music and "movies" the Y. M. C. A. is out to conquer the monotony and isolation of the lumber camps on Queen Charlotte Islands where aeroplane spruce is being manufactured for the Government.

A combined hotel and recreation hall has been erected at Thurston Harbor, reports D. E. Hatt, the "Y" secretary for the Moresby Island group of camps. The building is 32 x 32 feet, two storeys, with cottage 32 feet, quarters for the secretary and shower baths. Upstairs are four, small and one large room to be used by transients. Mr. Hatt has charge of the building, and he meets the boats which arrive at night and early in the morning.

During August the score or more camps and sawmills of the Masset Inlet district were visited three or four times by the Y. M. C. A. secretary, G. R. Welch. His addresses on patriotic, moral and religious lines were well received and the literature he distributed, including sex pamphlets, was eagerly welcomed. At headquarters at Buckley Bay a tent has been set up and equipped and this will fill the bill until permanent quarters can be secured.

PROVINCE PURCHASES OVER HALF A MILLION

The Provincial Government has decided to invest \$564,000 in the fifth Victory Loan, the subscription to be designated in favor of Victoria as a condition of the competition which that city and Vancouver have entered.

This amount is made up of the aggregate amounts available for investment from the various sinking funds. Hon. Jno. Hart says it is considerably more than he originally promised Sir Thos. White, the first estimate of the Province's contribution to the Dominion's war chest being half a million.

The Provincial Government now holds war bonds to the extent of \$1,474,500.

The other men have done the fighting. What about the paying? To buy five and a half per cent. Victory Bonds free from income tax is an easy way to pay a big debt.

We Must Save on Every Item

Buying Victory Bonds, if we do it sincerely and are honest with ourselves and Canada, calls for more than the investment of our surplus. We must economize through the year ahead.

Women will save most, through their home management, no saving will be too small.

We respectfully call their attention to the fact that Pacific Milk, used in all cooking, is a true economy. Its unusual richness gives food the utmost in nourishment and it is cheaper to buy than fresh milk.

PRESIDENT IS POPULAR IN THE SHOPS OF PARIS

Suits, Shirts, Boots and Hats Bear The Name of "Wilson."

Paris, Nov. 1.—The name of President Wilson has supplanted those of King George V. of England and of the late Emperor Nicholas of Russia as a label for popular styles of men's wearing apparel in the Paris shops. "I went to my tailor's to order a new suit, a blue serge, the sort of thing I've been wearing the last twenty years," writes a humorous contributor to "L'Oeuvre," "and that worthy called out to the bookkeeper: 'One Woodrow Wilson suit,' adding in explanation to me, 'That's the name of the goods.'"

"Then I went to the shirtmaker's, where I selected some shirts that only differed from those I used to buy before the war in costing \$4 instead of \$1.60, and I heard the salesman announce, 'Six President Wilson shirts.'"

"My new boots, comfortable, but devoid of elegance, bear branded upon their soles the name of the President of the United States. My hatter showed me a hat of the very shape that before the war we called 'Tyrolean' (and paid three times less for). The Tyrol has lost caste and these hats today are 'Wilson's' although they were 'George Fifth's' during the first years of the war.

"My collars remind me of our glorious ally, for though the laundry chemicals have removed my name, that of the President remains indelible, and yet these same collars for years could boast of bearing the name of Nicholas II."

HOW TO AVOID PNEUMONIA WHEN CONVALESCING FROM THE INFLUENZA

A tablespoonful of KENNEDY'S TONIC PORT four times daily will give weakened, run-down people the very support and strength needed. It is the most efficient general tonic and builder of body-tissues you can possibly use during the convalescing period.

Oh say! The News Print Shop does its work about as cheap as most shops and quite as well, gives you the work on time whenever possible and hands it out with a pleasant "Thank you."

What do you say to giving them a trial on your next job?

If you don't hurry we shall have victory before you buy that bond and then you will look like the ten cent man that you are. Hurry!

Military Service Act, 1917. EMPLOYMENT OF MEN IN DEFAULT UNDER THE MILITARY SERVICE ACT.
