**Surrender of Austria
 Ends All Doubt.**

There is no longer the slightest doubt as to how the war will end. Many have always had faith that it would end right, but at times their faith received several jars that came near breaking. Now it is no longer a matter of faith. With three of the allied enemy countries out of the fight, and with the last one being steadily driven within its own borders and surrounded with enemies who are not only victorious, but who feel that they have the Huns whipped, there can be but one result. It would not be surprising if peace came within a month, at least before the end of the year.

Many people have predicted that when the end came it would come with great suddenness. That prophecy seems to be true. The end is a great surprise to many. Some can hardly realize it yet.

**No Waving of Flags
 When Austria Capitulated.**

It is noticeable that no one has suggested the flying of flags or the decoration of the streets or the ringing of bells to celebrate the victories. The whole thing is too grim to rejoice over publicly. There may be glory in the victory but we do not feel it. We feel rather thankful that a murderer has been executed, than that a glorious deed has been accomplished. All chivalry has gone out of the war. It has been too full of horrors to inspire anything but the thought that a great wrong is checked, a wrong which can never be wiped out even with blood. It is a sober world that heard the news of the great Austrian surrender, a world that has been sobered by suffering.

**Rupert's Telephone
 Service is Excellent.**

At the City Council meeting last night Alderman Dybhavn gave a preliminary notice that there would be some changes in regard to the telephone charges in the near future. He also made some comparisons showing how much better the telephone service is here than in Seattle.

Alderman Dybhavn might have gone very much further and said that there are few if any telephone services on the continent that are as good as the one in Prince Rupert. It is very seldom that anyone here has to wait long for an answer to a call for central, whereas in some services it is the rule to have to wait. In some cities it is almost as quick to walk a block and make a personal call as to use the telephone. In Prince Rupert there are no long waits. The operators try their best to serve the public and they seldom make mistakes. As one visitor to the city recently remarked after being here a few days, "It is the best service on the continent."

**Boys Should Buy
 Victory Bonds.**

Here is a great opportunity for a boy or girl to help the country and at the same time invest a few dollars for himself. Five dollars down and five dollars a month will buy a bond on the instalment plan if you don't happen to have the cash by you. If you have the money make it more. Boys who sell newspapers could buy bonds with the proceeds and there would be little difficulty in making enough to do it. Bonds are the best and safest investment that can be found, and the country needs the money just now.

Team Work Needed for Few Days

While the people of Prince Rupert, in common with the people in almost every part of the world, are being sorely tried just now it must not be forgotten that the men at the front have been in much more difficult situations than confront us and they have come through with colors flying.

With courage we must all face the issue and keep cheerful. By helping our neighbors we can best help ourselves. Team work and community work is the order of the day.

It must not be forgotten that in spite of our difficulties here it will be necessary for us to continue our preparations for providing money for the men at the front. Victory bonds will be on sale commencing October 28 and we shall all have to do our best when the sale opens, even though we have needs of our own to supply.

**HOW TO AVOID PNEUMONIA
 WHEN CONVALESCING
 FROM THE INFLUENZA**

A tablespoonful of KENNEDY'S TONIC PORT four times daily will give weakened, run-down people the very support and strength needed. It is the most efficient general tonic and builder of body-tissues you can possibly use during the convalescing period.

Oh say! The News Print Shop does its work about as cheap as most shops and quite as well, gives you the work on time whenever possible and hands it out with a pleasant "Thank you." What do you say to giving them a trial on your next job?

 Yours but to go and buy—

**Keep up the
 Food Supply
 and Help
 Make Victory
 Sure**

"I AM assured that my people will respond to every call necessary to the success of our cause—with the same indomitable ardour and devotion that have filled me with pride and gratitude since the war began."
 HIS MAJESTY KING GEORGE

OUR soldiers must be fed; the people at home must be fed. And—in spite of Germany's murderous campaign to cut off the Allies' Food supply, by sinking every ship on the High Seas—an ample and unflinching flow of food to England and France must be maintained.

**This is National Service—
 Not to the Farmer only—
 But to YOU—to everybody—
 This appeal is directed**

WE must unite as a Nation to SERVE—to SAVE and to PRODUCE. Men, women and children; the young, the middle aged and the old—all can help in the Nation's Army of Production.

PLANT a garden—small or large. Utilize your own back yard. Cultivate the vacant lots. Make them all yield food.

EVERY pound of FOOD raised, helps reduce the cost of living and adds to the Food Supply for Overseas.

WOMEN of towns can find no better or more important outlet for their energies than in cultivating a vegetable garden.
