

Economically clean

She saved work—Sunlight Soap washed the clothes without rubbing. She saved time—she did other work while Sunlight did the wash. She saved money—Sunlight is an absolutely pure soap, therefore there is less soap used for washing than with ordinary soap, and less wear and tear of the clothes.

Sunlight is a war-time soap—it's so economical.

To the Public:

HARRY HANSON Inventor & Patentee of the Harry Hanson Patented Fast Heating Hot Water Coil for Ranges has returned to town to stay.

An improvement in said coil is now being offered. It is now made of brass pipe, and prices are as follows:—

With a three-years' guarantee \$25.
With a five-years' guarantee, \$30.

This coil is guaranteed to heat water four times faster than any coil now on the market. — See

TELEPHONE CHANGES MAY BE EXPECTED IN NEAR FUTURE

Chairman of Utilities Committee Prepares the Public Mind For a Change.

At the meeting of the City Council last night, Alderman Dybhavn told the Council that in the very near future it would be necessary to put in a new switch-board system in the telephone department. The present system had been installed nine years ago by a few citizens and was intended to be but a temporary arrangement. The business of the city had increased to such an extent that it would be necessary to do something soon.

The Alderman explained that at present there were 825 services in the city and only three operators. For this reason it was plain that during the busy hours of the morning there must sometimes be a little delay. This was not the fault of the operators but of the overcrowding of the system. He thought the public should know what the condition was.

On a recent visit to Seattle he found that the charges were higher than here and that the service was nothing like as good. The minimum charges were \$2.75 for residential services and up to \$7.00 for business. Here the range was from \$2 to \$6.50. When there he paid five cents for each call and in 75 per cent of the cases got the wrong number after having to wait a long time.

Alderman Dybhavn said he hoped to lay before the Council a proposition for some slight changes in the near future.

Mayor McClymont said that here the average telephone users was very high, one in six using the telephones as against the general average of cities of one in ten.

LONGSHOREMEN WILL HELP VICTORY OLAN

Endorse Appointment of Canvassers and Purchase Bonds from Union Funds.

The Longshoremen's Union met last night and formally endorsed the appointment of Capt. Groves, W. H. Montgomery and W. A. Pilford, secretary of the union, as a canvassing committee to solicit subscriptions for the Victory Loan from among members of the Union.

In order to show in a practical way their sympathy with the movement and their desire to help the Union ordered the purchase of \$700 in bonds. When it is considered that their total fund amounts only to about \$1,000 this is an extremely large amount to invest, and the action of the Union will doubtless be appreciated by the community.

CARD OF THANKS

Mrs. C. Knightall desires to convey her thanks, and also on behalf of her daughter, to her many friends for their kind expressions of sympathy during her recent bereavement.

BIRTH

A son was born to Mr. and Mrs. Isaac Lear, of 112 English Hill, on October 2, 1918.

Only 101 licenseholders and householders registered this year. It is too late now except for the holders of agreements of sale. They can get their names on the list any time before the end of November. After that the lists are closed.

The other men have done the fighting. What about the paying? To buy five and a half per cent. Victory Bonds free from income tax is an easy way to pay a big debt.

NAVIGABLE WATERS PROTECTION ACT.
R. S. C. CHAPTER 115.

The Port Edward Fisheries Limited hereby gives notice that they have, under Section 7 of the said Act, deposited with the Minister of Public Works at Ottawa and in the office of the District Registrar of the Land Registry, District of Prince Rupert, at Prince Rupert, B. C., a description of the site and the plans of a cannery and wharf proposed to be built situated on portion of Porpoise Harbor at Port Edward, B. C., in front of part of Lot 4476, Range 5, Coast District.

And take notice that after the expiration of one month from the date of the first publication of this notice, the Port Edward Fisheries Limited will, under Section 7 of the said Act, apply to the Minister of Public Works at his office in the City of Ottawa, for approval of the said site and plans and for leave to construct the said cannery and wharf.

Dated at Vancouver, B. C., this twenty-fourth day of October, 1918.
PORT EDWARD FISHERIES LIMITED.
Nov. 29. R. E. WALKER, Secretary.

Victory Bonds provide a market for British Columbia Mines and Smelters

Of Canada's total production in the calendar year 1917, of copper, lead and zinc, amounting to \$35,750,000, British Columbia produced \$21,350,000.

For the fiscal year ending March 31st, 1918, Canada sold on credit to Great Britain and the Allies more than \$46,000,000 worth of metals, the greater part of which were produced from the mines of British Columbia. That was more than three times the average exports for the three preceding years.

The Victory Loan 1917 made this production possible because it enabled Canada to give credit to Great Britain and the allies for their metal purchases in this country.

Without this market the mines and smelters of British Columbia could not have sold their outputs.

But the mines have had a market for their ores. The smelters have turned out tremendous quantities of copper, lead and zinc.

This production has not only brought prosperous times to the miners

but it has been a mighty factor in helping to win the war, for these metals were absolutely necessary to the production of munitions in both Canada and Europe.

The Victory Loan 1918 will keep the good work going. British Columbia will continue to have a market for her metals and other minerals and these will help to win the war.

By buying Victory Bonds you enable Great Britain to secure needed materials for munitions and you help to maintain prosperity in British Columbia.

Buy Victory Bonds to the limit

Issued by Canada's Victory Loan Committee in co-operation with the Minister of Finance of the Dominion of Canada.

MINERAL ACT.
CERTIFICATE OF IMPROVEMENTS.

NOTICE.
Cariboo Fraction Mineral Claim, situated in the Skeena Mining Division of Cassiar District. Where located:—At the head of Alice Arm in the Skeena Mining Division.

TAKE NOTICE that I, J. E. Stark, owner of the above claim, Free Miner's Certificate No. 14174, intend, sixty days from the date hereof, to apply to the Mining Recorder for a Certificate of Improvements, for the purpose of obtaining a Crown Grant of the above claim.

And further take notice that action, under section 85, must be commenced before the issuance of such Certificate of Improvements.

Dated this 5th day of July, A. D. 1918.
