She saved work—Sunlight Soap washed the clothes without rubbing. She saved time—she did other work while Sunlight did the wash. She saved money—Sunlight is an absolutely pure soap, therefore there is less soap used for washing than with ordinary soap, and less wear and tear of the clothes.

Sunlight is a war-time soap—it's so economical.

## BURNS MAY BOX MEEHAN SOON

U. S. Naval Man Ordered Back to Duty But Trip to Vancouver May Be Arranged.

A match is being quietly worked up between Meehan and Sergeant Tommy Burns, ex-champion of the world, of Prince Rupert, and physical instructor at Hastings Park. Wires have been passing back and forth, and Meehan has agreed to come to Vancouver, to box Burns for regimental funds. Burns has also agreed, subject to the approval of his commanding officer, to go to Frisco for a return match on the same terms that Meehan comes to B. C.

It is more than probable that the naval authorities of the United States figure that Willie has been running a little bit high-wide-and-handsome, what with his match with Dempsey, his vaudeville tour with Kid McCoy, and now his proposed fight with K. O. Krivosky, and it may be—it just may be—that the authorities are wondering what percentage of Willie's earnings are going for patriotic purposes, while he is a member of Uncle Sam's naval contingent, so they have ordered him back to duty.

Tommy Burns has more call for consideration than the Meehan boy, in spite of the latter's alleged decision over Dempsey, who, by a fluke, put Fred Fulton out of business. But the decision given Willie has evidently gone to the roly poly's head, and the recall to swabbing the decks of a warship may be for the purpose of bringing him back to earth.

A week or so of this work may induce Willie to think kindly of a trip to Vancouver, with all expenses paid, and a nice vacation in which all he has to do is to get into the ring for six rounds with a man of his own size, and earn a few thousands for the war funds. And when his commanding officer is acquainted with the terms and reasons for Willie coming to Vancouver and boxing Tommy Burns, it is very likely that the trip will be quickly arranged.

Jess Willard is said to have picked Meehan as his opponent for a patriotic match in Texas, but this is believed to be another of the big fellow's attempts to dodge Dempsey or Fulton. It is pretty much a cinch, however, that should Willie get into the ring with Willard for four rounds he would make a monkey out of the champion. His style of boxing is to jump in from the gong and keep things moving, while the mature fighter will take a round or two to try his man out, and in a short round bout such a man as Meehan would have all the best of it.

Anyway, such a match would be on a par with Ajax defying the lightning, and the sympathy of the crowd would be with the pigmy from the start. With Meehan and Burns in the ring a real scrap would be seen, since they are about of a height, and Willie's tactics of getting under the big fellows' guards and hammering their ribs wouldn't work out very well.

A letter now on the way to Frisco may result in a whole lot more light being thrown on the situation.

### MANY LIVES SAVED

Thousands of the best families have maintained a standard of health during the Flu Epidemic by using a diet composed of coarse food and a dose of KENNEDY'S TONIC PORT before meals.

The other men have done the fighting. What about the paying? To buy five and a half per cent. Victory Bonds free from income tax is an easy way to pay a big debt.
