J. D. ANDERSON

Who is it in France you are most interested in—a husband, a brother, a son, a friend you long to see again?

Picture this boy, trudging, tired and sleepy, back from the trenches.

He sees posted up at an army hut a notice of the overwhelming success of the Victory Loan 1918.

He sees the notice posted that more Canadians bought Victory Bonds than in any previous loan, that money to carry on the fight is assured.

He sees that his self-sacrifice, his courage and self-denial are appreciated, that mighty battalions of Canadian money are marching to reinforce him.

Can't you see his tired face brighten?

Can't you see him hitch his pack and shift his gun with renewed resolve?

What a mental bracer this bulletin will be to the Army of Brave Souls who fight that we may be free?

If Canada-at-home will keep constantly before it the picture of Canadain-France, then every previous record of investment in Canada will be shattered by the message we will send to our army when the Victory Loan 1918 is closed.

Buy all you can for cash and carry all you can on instalments.

Issued by Canada's Victory Loan Committee, in co-operation with the Minister of Finance of the Dominion of Canada.

Take a final shot at the Kaiser; buy half a dozen bonds today and then if he is not gone, a few more tomorrow.
