A Perfect Treatment For This Distressing Complaint

WASING, ONT.
"I had an attack of Weeping Eczema; so bad that my clothes would be wet through at times.

For four months, I suffered terribly. I could get no relief until I tried 'Fruit-a-lives' and 'Sootha Salva'. The first treatment gave me relief.

Altogether, I have used three boxes of 'Sootha Salva' and two of 'Fruit-a-lives', and am entirely well."

G. W. HALL.

Both these sterling remedies are sold by dealers at 50c. a box, 6 for \$2.50, or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

"Fruit-a-lives" is also put up in a trial size which sells for 25c.

NEW TRAINING CENTRE

Manitoba College Taken Over by
Department of Soldiers' Civil
Re-Establishment.

The Manitoba College in Winnipeg has been leased and taken over by the Department of Soldiers' Re-Establishment, to be utilized as the industrial re-training centre in the province of Manitoba.

For two reasons the developments at the Manitoba Military Hospital at Tuxedo Park have made it desirable to remove the industrial re-training work from that centre. The growth of the hospital centre has been such as to crowd the occupational therapy and the industrial re-training work so closely together that the more serious and purposeful phase was being hampered by the short hours and changing population of the occupational therapy classes.

In the second place the number of Industrial Re-training students was becoming so great that the establishment of a training school closer to the heart of the city became a matter of considerable importance.

As soon as the Manitoba College Building has been adequately equipped for the department's purposes, only the occupational therapy classes will be maintained at the Military Hospital. As can readily be realized, the atmosphere of a hospital is not conducive to the rapid development of that spirit of independent civilian status, which the vocational instructors seek to impart to the men who are fitting themselves for active participation in industry.

The new building will be installed with complete equipment necessary to give the preliminary training in a variety of trades and in draughtsmanship, mathematics and such general educational subjects as it is necessary to teach, in order to give the men a thorough grasp of the work for which they are being trained. The alterations and installation of the equipment are already under way.

PRINCE GEORGE

Up to today, Thursday, forty-six deaths have occurred in this district. There are about sixty cases in the hospital and an equal number in the homes. The police are looking after those in the outlying districts.

Lieut. John Cook formerly of this city, has been killed in action.

George Bontez, aged 19, son of Mr. and Mrs. Louis Bontez, died on Wednesday and was buried on Saturday.

Mrs. Ed Hall arrived from the coast a few days ago to visit her husband who is ill with influenza in the hospital.

BONDS ALL AT SAME RATE

By purchasing in huge quantities, large institutions are often able to buy their supplies at reduced rates. But they cannot buy Victory Bonds at reduced rates. A big insurance company which announces the purchase of \$10,000,000 worth of bonds is paying exactly the same price as the man who buys a single bond of the lowest denomination; and gets the same rate of interest—no more; no less. The smallest buyer of Victory Bonds "gets in" on the same terms as the "big fellow."

Help bring the boys home by buying Victory Bonds.

Oh say! The News Print Shop does its work about as cheap as most shops and quite as well, gives you the work on time whenever possible and hands it out with a pleasant "Thank you." What do you say to giving them a trial on your next job?
