

A COLD PREVENTIVE

Have you ever come out of a theatre, or church or over-heated room and felt, immediately the cold night air caught your throat and breathing passages, that you were going to catch cold? That is the time to take Peps. Two or three Peps taken at once will prove an unfailing preventive. A cold developed means needless suffering and expense. Safeguard yourself by always keeping a box of Peps on hand.

They are also best for coughs, sore throat and bronchitis. All dealers, 50c. box.

WAS WAR FOR DEFENCE OF BRITAIN OR BELGIUM?

Legal Point Raised by Order of Foresters in Disputing the Paying Insurance of Soldiers Killed.

Kingston, Nov. 16.—The Canadian Order of Foresters is contesting a claim for \$1,000 insurance on the life of a soldier killed in action, on the grounds that the deceased was not killed in defence of the British Empire, but in the defence of Belgium. It is claimed that as the rules of the Order say payment may not be made to beneficiaries of any man belonging to the Order who is killed while engaged in the defence of any country other than the British Empire, the Canadian Order of Foresters is not liable.

UNEMPLOYMENT IS BEING DISCUSSED AT CONFERENCE

Ottawa, Nov. 18.—The Government policy for handling unemployment will be brought before a series of conferences to be held here this week, concurrently with the gathering of Dominion and Provincial Ministers.

Unemployment conferences will be attended by officers of various employment exchanges in each province and by officers of two Federal employment exchanges now in process of formation. The labor sub-committee of the cabinet will be in touch with the proceedings throughout.

Among the subjects for determination are:

1. Creation of advisory committees, representative of employers and employed, in all provincial centres.
2. Preparation, as far as possible, of full lists of various Dominion, provincial and municipal public works proposed for the coming year.
3. The adoption of a common basis of trade classification.

300,000 A MONTH IN AMERICAN VESSELS

New York, Nov. 18.—Herbert Hoover, food administrator, and Edward N. Hurley, chairman of the U. S. Shipping Board, sailed for Europe Saturday on the White Star liner Olympic. Hoover is going abroad to take charge of the huge task of feeding the hundreds of millions in the war devastated countries.

Hurley's mission is to arrange for the homeward voyages of America's troops overseas. Hurley declared he believed the men can be transported home at the rate of 300,000 a month in American vessels.

GOVERNMENT WILL PREPARE CLAIM LIST

Ottawa, Nov. 18.—the Government has directed the preparation of a list of claims by Canadians arising out of illegal methods of warfare by the enemy during the war. These claims arise through torpedoing of ships without warning, aerial bombing of unfortified places, and commandeering or requisitioning without compensation, destruction and similar illegal acts not mentioned, claims relate to loss of life as well as property.

INFLUENZA GERMS CAN BE SWALLOWED BY WHOLESALERS

No Danger of Contracting Influenza.

So states a well known Vancouver doctor who offers to swallow a capsuleful every day for a week. The Doctor is right.

With plenty of fresh air, good nourishing food and a tablespoonful of KENNEDY'S TONIC PORT four times daily you can keep your body strong and thoroughly fortified against the ravages of influenza, asthma, bronchitis, colds or coughs.

BIG DOCTORS PRESCRIBE IT. DRUG STORES SELL IT.

Oh say! The News Print Shop does its work about as cheap as most shops and quite as well, gives you the work on time whenever possible and hands it out with a pleasant "Thank you." What do you say to giving them a trial on your next job?

Sunlight Soap

The most beautiful and most economical soap on a wash day

She lets Sunlight do the work

Read Sunlight \$5000 guarantee of purity

Sunlight dispels the shadow that once hung over wash day

IN fact many women do not say "wash day" any more. They say "Sunlight Day". It's a genuine pleasure to use Sunlight Soap because it means an economical wash, it means a quick wash. Why? Because, Sunlight is absolutely pure—you need only half the quantity as compared with ordinary soaps, nor will Sunlight harm any delicate fabrics, or hurt your hands. And it really takes the labour out of the washing in surprisingly little time as you will see by following the directions.

SYNOPSIS OF LAND ACT AMENDMENT

Pre-emption now confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partnership pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions, with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.

Where pre-emptor in occupation not less than 2 years, and has made proportionate improvements, he may, because of ill-health or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued provided applicant makes improvements to value of \$300 per annum and records same each year, failure to make improvements or record same will operate as forfeiture. Title cannot be obtained on these claims in less than 5 years, with improvements of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.

Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homestead; title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes, areas exceeding 640 acres may be leased by one person or company.

PRE-EMPTORS' FREE GRANTS ACT.

The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

TOWNSITE PROPERTY ALLOTMENT ACT.

Provision is made for the grant to persons holding uncompleted Agreements to Purchase from the Crown of such proportion of the land, if divisible, as the payments already made will cover in proportion to the sale price of the whole parcel. Two or more persons holding such Agreements may group their interests and apply for a proportionate allotment jointly. If it is not considered advisable to divide the land covered by an application for a proportionate allotment, an allotment of land of equal value selected from available Crown lands in the locality may be made. These allotments are conditional upon payment of all taxes due the Crown or to any municipality. The rights of persons to whom we purchase from the Crown have agreed to sell are also protected. The decision of the Minister of Lands in respect to the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1919. Any application made after this date will not be considered. These allotments apply to townsite and lands of the Crown sold at public auction.

For information apply to any Provincial Government Agent or to

A Song for Every Mood

Music gives expression to every human emotion. All that is happy and beautiful in life, has been expressed in music.

When things seem bright and cheerful because a ray of happiness has come into your life, you need an outlet to give vent to your feelings.

When sorrow or depression comes, the need of consolation is even greater.

It is at such times that you derive the greatest comfort from

The NEW EDISON

"The Phonograph with a Soul"

Then one sweet note of the voice of Anna Case, or one ripple of melody from the bow of Albert Spalding, puts your soul in harmony with the world. Music—real music—is one of life's greatest boons. Edison music is real music because the New Edison does not merely imitate, it re-creates. One never tires of the New Edison, the novelty never wears off, because there is no novelty to wear off. It is not just another "talking machine". It is decidedly different. To appreciate the difference you must hear it.

We will gladly submit the New Edison to your musical judgment either here or in your own home.
