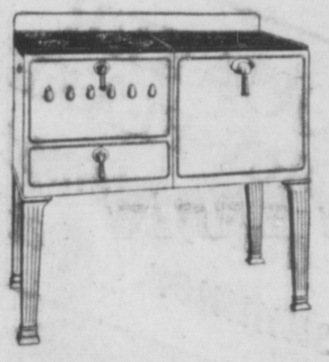
ELECTRIC COOKING



Coolness, comfort and convenience are only incidental advantages brought by electric cooking. Its real value is ECONOMY. An Electric Range saves you money from the day it is installed. Many families do all their cooking for as little as $4 a month with equivalent savings in the monthly food bills. Waste is ended. Every roast goes further with all nourishing elements retained. Savings in a month on food alone will equal the cost of a good-sized family roast. Get YOUR electric range NOW . . . on easy terms . . . while the purchase price is at the present sensational low level.

ALL WATCHES ARE REPAIRED IN OUR OWN WORKSHOP

Many people have the idea that watches left with us are sent out of town for repair. Such is not the case, as all watch repairing is done in our own shop. Watches are repaired as quickly as possible, so you are not forced to wait very long for a first class job, at a reasonable price. Our guarantee of satisfaction covers all work done. If your watch is not worth repairing we just won't do the job. We won't repair any watch which we cannot guarantee.

Try our repair department.
Max Heilbroner, Jeweler.

A. S. Tyrer, auditor of government agencies, who has been in the city and district for the past two or three weeks on official duties, sailed by the Princess Alice yesterday afternoon on his return to Victoria.

J. Arthur Smith left on yesterday afternoon's train for Edmonton where he will attend the funeral of his brother, the late Hon. V. W. Smith, pioneer resident of Prince Rupert and minister of railways and telephones in the Alberta government, who died suddenly on Tuesday.
