Just Camouflage

Some of the worthy aldermen after reading Captain Rorvig's open letter as published in The Daily News last evening were heard to gently murmur to themselves: "A man convinced against his will is of the same opinion still."

The aldermen from the land of the heather were much interested last night to hear that Samuel Massey who is coming home to take the position of wire chief had cabled from a place known as Knockando. Every Scotsman as he heard it turned his head aside and pondered and then one, more venturesome than the others, for all Scotsmen are expected to know every village north of the Tyne, queried aloud the query that they were querying to themselves. The Mayor replied that he thought it sounded like where Alderman McMeekin came from. The Alderman remarked in an aside that he knew Knockmillidown and he knew that an Irishman could knock anybody down but a man that could "knock" and "do" at the same time was beyond him. At which nobody smiled for they did not hear it.

Out of respect for Alderman Kirkpatrick there was no audible titter at the council meeting when she remarked that the women did not use their telephones very much. Evidently the lady alderman does not have to ring up the members of her sex very often or the "line's busy" would get monotonous.

EXPRESSES THANKS

Editor Daily News,—I wish to take this opportunity to thank all those connected with the Borden St. Hospital for their kind services and care extended to me as one of their patients. Had it not been for their timely aid I would have been in the silent land by now.

I think they all deserve great credit and I believe all those who were patients should show their appreciation in some way. I came out and had two relapses, but had only my insubordination to doctor's orders to blame and am thankful I am still able to kick.

PRINCE MAXIMILIAN'S PLANS WERE UPSET

(Special via G. T. P. Telegraphs.)
Copenhagen, Nov. 18.—The former Imperial Chancellor, Prince Maximilian of Baden, has issued a pamphlet in which he writes: "My peace policy was entirely upset by the proposals in the armistice which was handed to me in complete form on my arrival in Berlin. I fought against it for practical and political reasons. It seemed to me the first mistake. It allowed the grave step toward peace to be accompanied by success and the amazing admission of Germany's weakness.

"Neither the enemy power nor our own people regarded our military situation such as to make desperate measures necessary, though I was subsequently informed by our generals that they had been mistaken regarding the military situation at the front."

REFAULTERS ARE TO BE PUNISHED

(Special via G. T. P. Telegraphs.)
Ottawa, Nov. 18.—That action will be taken against defaulters from military service is made clear in an official statement issued here today. "The Government," declares the statement, "has no intention of permitting those defaulters who refused to come to the help of their country in the hour of their country's need, to escape all punishment or penalty."

Sunlight dispels the shadow that once hung over wash day

IN fact many women do not say "wash day" any more. They say "Sunlight Day". It's a genuine pleasure to use Sunlight Soap because it means an economical wash, it means a quick wash. Why? Because, Sunlight is absolutely pure—you need only half the quantity as compared with ordinary soaps, nor will Sunlight harm any delicate fabrics, or hurt your hands. And it really takes the labour out of the washing in surprisingly little time as you will see by following the directions.

SYNOPSIS OF

LAND ACT AMENDMENT

Records will now be confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-forest land.

Where a pre-emption is abolished, but parties of not more than four may arrange for adjacent pre-emptions, with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.

Where a pre-emptor in occupation not less than 2 years, and has made proportionate improvements, he may, because of ill-health or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued provided applicant makes improvements to extent of \$100 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained on these claims in less than 5 years, with improvements of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.

Pre-emptor holding Crown Grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and industrial conditions.

For grazing and industrial purposes, areas exceeding 80 acres may be leased by one person or company.

PRE-EMPTORS' FREE GRANTS ACT.
The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

TOWNSHIP ACT.
Provision is made for the grant to persons holding uncompleted Agreements to purchase from the Crown of such proportion of the land, if divisible, as the payments already made will cover in proportion to the sale price of the whole parcel. Two or more persons holding such Agreements may group their interests and apply for a proportionate allotment jointly. If it is not considered advisable to divide the land covered by an application for a proportionate allotment, an allotment of land of equal value selected from available Crown lands in the locality may be made. These allotments are conditional upon payment of all taxes due the Crown or to any municipality. The rights of persons to whom the purchase from the Crown has agreed to sell are also protected. The decision of the Minister of Lands in respect to the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1919. Any application made after this date will not be considered. These allotments apply to town lots and lands of the Crown sold at public auction.

A Song for Every Mood

Music gives expression to every emotion. All that is happy and beautiful in life, has been expressed in music.

When things seem bright and cheerful because a ray of happiness has come into your life, you need an outlet to give vent to your feelings.

When sorrow or depression comes, the need of consolation is even greater.

It is at such times that you derive the greatest comfort from

The NEW EDISON

"The Phonograph with a Soul"

Then one sweet note of the voice of Anna Case, or one ripple of melody from the bow of Albert Spalding, puts your soul in harmony with the world. Music—real music—is one of life's greatest boons. Edison music is real music because the New Edison does not merely imitate, it re-creates. One never tires of the New Edison, the novelty never wears off, because there is no novelty to wear off. It is not just another "talking machine". It is decidedly different. To appreciate the difference you must hear it.

We will gladly submit the New Edison to your musical judgment either here or in your own home.
