

PEPS

THE BREATHABLE REMEDY

ALWAYS keep a box of Peps on hand, and immediately you feel a tickling in your throat and want to cough, put a Peps tablet in your mouth.

The medicinal fumes given off by the dissolving Peps mingle with their you breathe, and like the Pine Forest air of Switzerland, reach every nook and corner of the throat and lungs, where the danger lies.

Peps bathe the breathing tubes with a germ-destroying vapor, which is a sure safeguard against infectious coughs and colds. When a Peps tablet is in the mouth every breath taken strengthens your defence against throat and chest troubles.

50c. box, 3 for \$1.25. All dealers or Peps Co., Toronto. FREE trial package sent upon receipt of this advertisement and 1c. stamp for postage.

For WINTER COUGHS, COLDS & BRONCHITIS.

Red Cross Notes

Four more acknowledgements of food parcels have been received from Arthur Bristow, prisoner of war in Germany.

It is hoped to renew the Friday Red Cross sales in the hut a week from Friday. For the next few months there will be great need of help for the homeless refugees as well as the soldiers, and the society earnestly hopes that these sales will continue to receive the support the public has given so splendidly in the past.

A donation of \$6.25 for the Prisoners of War Fund from Miss Rothwell is acknowledged with many thanks.

It is expected to put on the concert in aid of St. Dunstan's Hostel for blinded soldiers at the earliest opportunity after the ban is lifted on the theatre, as those unfortunate men are in need of all the help the public can give them.

The Victory Loan Drive as well as the influenza epidemic have hampered Red Cross work to a certain extent for the past few weeks. The society hopes to continue to work until the last prisoner is given up by Germany and until help is no longer required by the wounded men and the homeless refugees now being released by the Allied armies.

DISLOCATION OF STUDY WILL BE CONSIDERED

On account of the dislocation to study occasioned by the enforcement of the Spanish influenza regulations and the effect on the pupils advancement from one grade to the next, the Hon. J. D. MacLean, Minister of Education, has announced that the Department will take due cognizance of the fact at the end of the year.

In this connection, it should be noted, a request was recently sent to the Minister by the principals of the various schools asking that the course of study for High School entrance be somewhat modified in view of the loss of time by reason of the epidemic.

Particular reference was made in the communication to such subjects as literature, history and geography, and in his reply Dr. MacLean makes clear that he will bear the suggestion in mind when considering the whole question as already decided upon by the Department.

MAY PURCHASE TICKETS FOR RELATIVES RETURNING

Between the G.T.P. and the trans-atlantic steamship companies arrangements have been made whereby transportation tickets from European points to Canada may be purchased at this end, and forwarded to the prospective passengers in Great Britain. Anyone with relatives or friends who intend coming to Canada from Great Britain or elsewhere in Europe could save a great deal of trouble by purchasing the tickets here.

This is particularly applicable to soldiers' wives and families at present in Britain, where booking transportation overseas is somewhat more of a job than it is here. Full particulars may be had from G. F. Johnston, G.T.P. ticket agent, Third Avenue.
