

CONSTANT PAIN AFTER EATING

The Torments of Dyspepsia Corrected by "Fruit-a-lives"

St. MARTIN'S, N.B.
 "For two years, I suffered tortures from Severe Dyspepsia. I had constant pains after eating; pains down the sides and back; and horrible bitter stuff often came up in my mouth.
 I tried doctors, but they did not help me. But as soon as I started taking 'Fruit-a-lives', I began to improve and this medicine, made of fruit juices, relieved me when everything else failed."

XMAS TURKEYS WILL BE HIGH THIS SEASON

Sugar Has Advanced 15c. per cwt; Fruits Expected to Arrive Next Week.

Christmas turkeys are on order, but it is expected that they will be somewhat scarce and that the prices will be high. It is suggested something like sixty cents a pound will be asked for this delicacy during the holiday season.

There are a number of new fruits expected next week. It has been difficult to get permits to allow the importation of fruit from California, but these have now been secured and the fruits are coming. The naval oranges which are on the road and which should arrive next mid week will retail at about 75c. as against \$1.00 for the similar sizes now. SYNOPSIS OF LAND ACT AMENDMENT

Pre-emption now confined to surveyed lands only.
 Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.
 Partnership pre-emption abolished, but parties of not more than four may arrange for adjacent pre-emptions, with joint residence, but each making necessary improvements on respective claims.
 Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.
 Where pre-emptor in occupation not less than 2 years, and has made proportionate improvements, he may, because of ill-health or other cause, be granted intermediate certificate of improvement and transfer his claim.
 Records without permanent residence may be issued provided applicant makes improvements to extent of \$300 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained on these claims in less than 5 years, with improvements of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.
 Pre-emptor holding Crown Grant may record another pre-emption, if he retains land in co-tenancy with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.
 Unsurveyed areas, not exceeding 20 acres, may be leased as homestead; title to be obtained after fulfilling residential and improvement conditions.
 For grazing and industrial purposes, areas exceeding 40 acres may be leased by one person or company.
PRE-EMPTORS' FREE GRANTS ACT.
 The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.
TOWNSITE PROPERTY ALLOTMENT ACT.
 Provision is made for the grant to persons holding uncompleted Agreements to Purchase from the Crown of such proportion of the land, if divisible, as the payments already made will cover in proportion to the sale price of the whole parcel. Two or more persons holding such Agreements may group their interests and apply for a proportionate allotment jointly. If it is not considered advisable to divide the land covered by an application for a proportionate allotment, an allotment of land of equal value selected from available Crown lands in the locality may be made. These allotments are conditional upon payment of all taxes due the Crown or to any municipality. The rights of persons to whom the purchaser from the Crown has agreed to sell are also protected. The decision of the Minister of Lands in respect to the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1919. Any application made after this date will not be considered. These allotments apply to town lots and lands of the Crown sold at public auction.
 For information apply to any Provincial Government Agent or to

CANADIANS TO FILE CLAIMS ON ENEMY

(Special via C. T. P. Telegrams.)
 Ottawa, Nov. 21.—The Government is asking that all private war claims in enemy countries and Russia be filed immediately. The filing of any claims does not imply an undertaking on the part of the Canadian Government to put it forward or any assurance that if put forward it will be satisfied. Nevertheless, claims should be sent in as speedily as possible so that the Government may be furnished with such information as will enable it to take action on behalf of Canadians having claims in enemy or Russian territory.

Sunlight dispels the shadow that once hung over wash day

IN fact many women do not say "wash day" any more. They say "Sunlight Day". It's a genuine pleasure to use Sunlight Soap because it means an economical wash, it means a quick wash. Why? Because, Sunlight is absolutely pure—you need only half the quantity as compared with ordinary soaps, nor will Sunlight harm any delicate fabrics, or hurt your hands. And it really takes the labour out of the washing in surprisingly little time as you will see by following the directions.
