108 Church Street, Montreal.
December 10th, 1917.

"I was a great sufferer from Rheumatism for over 16 years, I consulted specialists, took medicines, used lotions; but nothing did me good. Then, I began to use "Fruit-a-tives"; and in 15 days, the pain was easier and the Rheumatism was better. Gradually, "Fruit-a-tives" overcame my Rheumatism; and now, for five years, I have had no return of the trouble. Also, I had severe Eczema and Constipation, and "Fruit-a-tives" relieved me of these complaints; and gave me a good appetite; and in every way restored me to health". P. H. McHUGH.

FORMAL COMPLAINT AGAINST MAGISTRATE BY POLICE OFFICIAL

Local Commissioners to Meet Mr. Carss on Monday and Discuss Matter With Him.

At the meeting of the Police Commission yesterday afternoon Sub-Inspector Adams of the Dominion police laid a formal complaint against the manner in which cases had been tried by Magistrate Carss, and particularly against the smallness of the fines which had been inflicted.

The inspector said that he had made a complaint to the Attorney General, explaining that it was useless for him to secure evidence and bring cases up when the fines inflicted were so small that they were no deterrent. The Attorney General advised that the matter be taken up by the local Police Commission and a meeting with Magistrate Carss has been arranged for Monday next to discuss the whole matter of convictions and fines in the police court.

There are other local cases which it is understood that the commissioners will take up at the same time, especially some complaints in regard to liquor cases.

MUCH LIVE STOCK HAS BEEN IMPORTED INTO THE INTERIOR

R. A. Hunt, representing the Land Settlement Board, arrived from Victoria during the past week, and has been at Telkwa on business connected with the shipment of cattle recently brought from the prairie under the lead of the board, says the Interior News. That the importation of cattle was considerably larger than reported was the announcement made by F. S. Short, while in Smithers this week. Mr. Short was buying representative to the prairie for the Telkwa-Round lake ring, and he returned in charge of six carloads of stock, five for purchasers through the Land Settlement Board and one which he and J. W. Anderson brought in for sale.

The stock is practically all yearling heifers of the beef class and the shipment will be distributed as follows:—F. M. Dockrill, 21; W. F. Wakefield, 20; R. E. Wakefield, 10; E. Lemieux, 5; R. E. Williams, 20; Wm. Croteau, 20; F. S. Short, 22; Ira G. Short, 15; J. Bakke, 15; E. C. Barger, 15; Jos. Bourgon, 15.

Under the same plan Messrs. Wilson and Barrett each brought in four carloads for the Glanlanna and Houston farmers respectively. At the same time one carload was brought in by private enterprise, and dropped off at Burns Lake for sale to the ranchers in that section, making a total importation of fifteen carloads of cattle to the Bulkley Valley during the past two weeks.

Sunlight dispels the shadow that once hung over wash day

IN fact many women do not say "wash day" any more. They say "Sunlight Day". It's a genuine pleasure to use Sunlight Soap because it means an economical wash, it means a quick wash. Why? Because, Sunlight is absolutely pure—you need only half the quantity as compared with ordinary soaps, nor will Sunlight harm any delicate fabrics, or hurt your hands. And it really takes the labour out of the washing in surprisingly little time as you will see by following the directions.
