## MINING ACTIVITY THIS SIDE STEWART

Work Conducted all Summer on  
Two Important Properties  
That Seem Likely to Give  
Good Results.

Stewart, B. C., Nov. 28.—Besides the the properties at Stewart that are valuable prospects and many about to become productive mines. There are a number of properties in the neighborhood that look very good. The Georgia R. Mining Co., 18 miles this side of Stewart has been worked all summer with good results. It is a free gold proposition and a mill of some sort is needed to recover the precious metal. It is near the water and there is a good trail connecting it. C. H. Dickie, of Duncan is the owner.

At Swamp Point the Granby people have been getting out limestone all summer for use in fluxing at the smelter.

A new shaft of ore has been opened up at the Brown-Alaska mine which years ago shipped several thousand tons. Work has been going on there all summer and the new showing is a couple of hundred feet of low grade copper. If this property were equipped with a concentrator it should become an important mine. It is owned by Martin Woldson of Spokane and Andrew Sostad has been in charge of the work. It is closed for the winter, but is expected to open up again in the spring.

## WRONG BOTTLE AGAIN!

Mr. Thomas Wade, of Alma, N.B., accidentally applied some acid to a sore leg, thinking the bottle contained liniment. Writing of the effect, he says:  
"The acid burned deep into my flesh and set up poisoning, causing me intense pain. I really thought I should lose my leg, but a friend advised me to try Zam-Buk. I did so, and the effect was marvellous! Zam-Buk very quickly ended the pain and drew out the poison. Eventually it completely healed the sore place."

## Red Cross Notes

With the resuming of the Red Cross sale on Friday the society will again take up the work which on account of the plague has been dropped for the last month. A huge task faces the Allies of caring for the homeless and destitute refugees. The Red Cross has pledged its help as it feels sure of the splendid help of the people.

Mrs. Mortimer and Mrs. Reitcheil will have charge of the sale in the hut on Friday of this week.

The supply rooms on Third Avenue where wool, etc., may be obtained will be open again as usual on Thursday morning. The sewing in the Baptist Church rooms will also be resumed again next Tuesday, when it is hoped as many as possible will respond.

It has been found necessary to postpone St. Dunstan's concert in aid of blinded soldiers until the middle of January. Should anyone like a refund of their tickets, it may be obtained at Orme's Drug Store, but it is hoped the public will cheerfully bear the delay and do all they can to help make the concert a success in January.

## DIFFERENCES BETWEEN CHILE AND PERU GROW

(Special via G. T. P. Telegraphs.)

Lima, Peru, Nov. 27.—It is officially announced that Peru has withdrawn her consuls from Chile as a result of the renewal of anti-Peruvian rioting at Iquique and Antofagasta. Peruvian newspapers call upon the Government to request a cessation of anti-peruvian demonstrations in Chile. They declare that if demonstrations continue, anti-Chilean outbreaks may be expected in Peru. The demonstrations grow out of differences between Chile on one side and Peru and Bolivia on the other, concerning the border provinces of Tacna and Arica.

## CHEAPER FOOD IS EXPECTED IN GERMANY

(Special via G. T. P. Telegraphs.)

London, Nov. 27.—The Cologne Gazette of November 16 published an article under the caption "Armistice and Food Supply," written by a specialist named Oetelschofen, who argued that there could be no question of shortage of food in Germany, but it was urgently necessary to reduce the rations. Even after the armistice, there is an abundance of food in Germany for feeding the population if we reduce the consumption of animals by reducing stocks of cattle. It is to be expected food prices will soon fall sharply. The public can contribute to this end, if it will avoid hoarding of supplies and await cheaper prices.
