

A CRIPPLE FOR THREE YEARS

Helpless in Bed With Rheumatism Until He Took "FRUIT-A-TIVES".

MR. ALEXANDER MUNRO

R.R. No. 1, Lorne, Ont.
"For over three years, I was confined to bed with Rheumatism. During that time, I had treatment from a number of doctors, and tried nearly everything I saw advertised to cure Rheumatism, without receiving any benefit.

Finally, I decided to try 'Fruit-a-tives'. Before I had used half a box, noticed an improvement; the pain was not so severe, and the swelling started to go down.
I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place."

ALEXANDER MUNRO.

50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

EMPRESSES COMING BACK TO THE PACIFIC

Big C. P. R. Liners to Be Released From War Service.

The C. P. O. S. liners Empress of Russia and Empress of Asia are to be released from war service and will soon return to Vancouver to resume the Pacific run.

In 1914 every C. P. R. ship was commandeered for war service and for twenty months Vancouver was without the C. P. R. service. The Russia, Asia and Japan were armed and did a good deal of patrol work and were in action in the Red Sea, while the Montague was used to carry Indian troops to Egypt. It was the Russia which received Commander von Muller and the survivors of the Emden from H. M. A. S. Sydney and took them to Colombo.

The Empress of India was bought by an Indian rajah and turned into a hospital ship called the Loyalty and she is still plying in this service.

In 1918 the admiralty released the vessels and they returned to Vancouver and resumed their peaceful voyages in the Orient. Then the Montague was commandeered again and she went to Siberia and picked up the remnant of the Serbian army. These men were paid and equipped by the British and the Montague carried them most of the way to Saloniki, the little force having practically wandered right around the world.

Then came the big German drive in the spring and every available ship was taken over to carry American troops. The big liners Russia and Asia were among the ships and they have since transported many thousands of Americans to Europe.

The carrying trade of the Pacific has practically passed into the hands of the Japanese for the Blue Funnel freighters have also been on war service and have only made irregular calls and even while the big Empresses were back in 1916-17 they were busy carrying Chinese labor battalions.

New York, Nov. 30.—Labor leaders here declared today that agitation for a world strike to be held December 9, as a demonstration against the failure of the California Governor to pardon Thos. J. Mooney would commence.

Oh say! The News Print Shop does its work about as cheap as most shops and quite as well, gives you the work on time whenever possible and hands it out with a pleasant "Thank you." What do you say to giving them a trial on your next job?

THAT BOY OF YOURS

He is not seriously wounded. Not But he never tells you of the pain he sometimes suffers because of a blistered foot after marching. He said not a word of how the ground near where he is billeted reeks with old gas which irritates cuts and sores and makes them ten-fold more painful and serious. He considers these the "little things."

For just such serious "little things" Zam-Buk is provided. It soothes the pain, draws the inflammation from cut or blister and heals eruptions and sores. In the homes of Canada, mothers consider it a necessity. How much more necessary is it out yonder where your boy is!

See to it that he has a supply! Perhaps he gave that last box you sent to a comrade, so in your next parcel don't forget to replace it. Put Zam-Buk in every parcel you send, for the boys all say "send us more"
