ROYAL BANK TO OPEN  
BRANCH AT VLADIVOSTOK

Victoria Board of Trade Takes Steps to Get Business With That Port.

Possibilities of an invasion of the Orient by Canadian banking concerns seems to be foreshadowed in the mission of three gentlemen who sailed for the Far East on the Empress of Japan from Victoria. It is the plan of the Royal Bank of Canada to establish the first branch of any Canadian bank at Vladivostok, and for that purpose three senior officials under the direction of D. C. Rea, Toronto manager, will journey to Russia's most eastern port to investigate the conditions there.

The nucleus of the branch, which will be established if conditions prove favorable, will be composed of R. E. East and Gustave Grenier. The party was joined in the afternoon by another Canadian banker who, having missed the boat from Seattle, chartered a tug and reached Victoria in time to sail.

The expedition will sail first to Nagasaki and from there to Vladivostok, taking with it supplies of food and a portable house. Mr. Rea intends to stay in Siberia for perhaps a year. If it is decided to establish a branch of the bank there he will return and make arrangements in Canada, leaving his assistants in Siberia, whom is a linguist and who speaks Russian, in the Orient.

Appreciating the enormous possibilities of trade with Russia in the future, the Victoria Board of Trade has communicated with the Royal Bank, requesting that the officials who are going to Siberia may forward any orders for Canadian lumber which may come their way to the mills in the capital.

can be washed over and over again with Lux and still retain the delightful charm of freshness and newness. Very desirable, this, in war time! Lux is so gentle in its cleansing power that it cannot harm the most delicate fabric.

## How to wash a silk garment

Use a tablespoonful of Lux to a gallon of water. Dissolve in boiling or very hot water and whisk into a thick, creamy lather. Add cold water until luke warm. Dip your garment through the Lux suds many times. Work it about, gently squeezing the suds through the soiled parts but do not rub! Rinse in three waters—clear and also luke warm. Press the water out—but do not wring. Dry in the shade and when nearly dry press on the wrong side with a warm iron—never a hot one. Press creases from side to side and stretch a very little as you press. They will look just like new!
