**AIR DRIED SHINGLES**

Retain the cedar oil in the wood, affording extra and better preservation than kiln-dried shingles from which the essential oil has been evaporated. Our shingles are made on Queen Charlotte Islands and, as a home product, deserve your preference. Shingle makers wages on the Islands are spent eventually in Prince Rupert, while Vancouver wages never come north. Support a home industry and your own welfare by specifying Air Dried Shingles.

Prices: No. 1 5X \$3.75; No. 1 3X \$3.25

**Pacific Has All The Flavor**

In the beginning when vacuum packing was coming into use for dry foods, it was said to be impossible to use for liquid products. It was admittedly the ideal method for retaining natural flavors.

Not believing anything impossible, Pacific Milk began experiments which resulted in learning how to put milk in vacuum cans.

Now all the fine natural flavor is kept perfectly for you. Try it.
