True war-time economy—use Sunlight Soap

It is impossible to buy a purer soap than Sunlight. Therefore it is really the cheapest soap you can buy. The purer and better the soap—the less you need for the wash and the better the work done.

Truly—it is real war-time economy to use Sunlight Soap for the wash and about the house.

WILL GIVE SITE TO THE G. W. V. A. FOR PURPOSE OF BUILDING MEMORIAL

Last evening at a special general meeting of the City Council, the final consideration of the proposed bylaw for the granting of a memorial site to the G. W. V. A. was given. In committee, the details of the bylaw were discussed, and it was considered that it would be better that no strings be attached to the gift from the municipality. This bylaw will, therefore be put before the electorate on January 16.

A bylaw was also introduced for the purpose of granting the Prince Rupert Drydock and Engineering Company partial exemption from taxation over the period of ten years. It is proposed to grant to the new company exemption from general taxes, school and health rates, but no exemption will be granted for any local improvement taxes or money bylaws. There was considerable discussion on the various clauses of the bylaw, when the committee reported progress.

The Council will sit again this afternoon to continue looking into this bylaw. Mr. A. M. Manson, M. P. P., representing the company, was in attendance.

Bottle of "Findlay's Special" Found in Tool Box of Auto-Mobile Which Chauffeur Didn't Know of.

This morning before Magistrate Carss in the police court a fine of \$50 for having liquor in a place other than that specified in the Act was imposed upon F. Syrotuck. It seems that last evening Constable Bailey was out and in the most approved and old fashioned highwayman style held up an automobile coming down Fulton Street. The car contained two passengers, who were told to stand and deliver. However, they had nothing worth while. On the car being searched a bottle of "Findlay's Special" G. & W. rye whiskey was discovered reposing in the tool box. How it got there remains a mystery. The chauffeur did not know. The fine, however, was paid.

SUNSHINE NAN AT THE WESTHOLME TONIGHT

With such a title as "Sunshine Nan, the spectator has every right to expect that Ann Pennington's latest starring vehicle shall contain more of smiles than of tears. The picture does not belie its name. Adapted from Alice Hegan Rice's story, "Cavalry Alley," scenario by Eva Unsell, and directed by Charles Giblyn, the plot follows the history of a child of the gutter until she reaps the reward that always comes to the good little heroine at the end of the fifth reel.

The play is an interesting one all through, and is well worth seeing. There is also a fine comedy and Gazette.

"Ah! Once Again Wife Is Baking"

Can you wonder at Mubby's smile of pleasure when he sees those gold-en-crusts, high-crowned loaves coming from the oven and inhales the fragrance of their warm freshness—and how proudly wife exhibits the perfect results of her baking? The secret of it all lies in the quality of ROYAL STANDARD FLOUR.

Samples from all wheat coming to our mills are ground, "gluten tested," and bread baked in our laboratory before it is sanctioned for our chemists as being of the standard used for milling into ROYAL STANDARD FLOUR. It is easily handled, "quick rising," has the biggest "oven spring" and is always uniform above all things. Made in B. C.

Pure Cream Makes the Richness

There is a pure cream richness about Pacific Milk that is the only secret behind its goodness for cooking.

You see, all we do to the rich, fresh milk as it comes from the farm is to evaporate water out of it.

This leaves the natural butter fat and other cream solids as they were.

Then we seal it up so it remains fresh and sweet.

Try it in the next recipe which calls for milk or cream.
