EVERYBODY AT MOVIE SHOWS LAST NIGHT

Empress with Flame of Yukon and Westholme with Charlie Chaplin Both Have Capacity Houses. Repeat Tonight.

More people attended the movies last night than ever went before in one evening in the history of Prince Rupert. Some people attended both theatres and the result was that there were full houses.

The attractions were first rate. It was the opening night for the Empress and "The Flame of the Yukon" proved to be all that was expected. It was a fine film, dramatic, picturesque and strong. Doubtless there will be a good house again tonight for the same picture.

At the Westholme the inimitable Charlie Chaplin was the chief attraction. The second of the million dollar series proved to be just as funny as the first and those who hear about it today will not miss this only chance of seeing the film tonight.

The matter of sending the City Solicitors to Victoria to attend the meeting of the Union of B. C. Municipalities and of securing certain changes in the Act was mentioned by Mayor McClymont at the meeting of the City Council last night. He thought the City should have the power to deal with clubs and also that the automobile tax should be paid to the city instead of to the Provincial Government.

Under the patronage of the Canadian Red Cross Society the postponed grand concert in aid of St. Dunstan's Hostel for blind sailors and soldiers will be held in the Westholme Theatre Tuesday evening, January 14, at 8:30 p.m. Tickets on sale at Orme's Drug Store 75c and \$1. Boxes seating six, \$6. Tickets bearing date October 15, 1918, good for that evening. Original program will be given. Everyone asked to do their bit. tf

The C. P. R. has sent The News an interesting souvenir brochure giving a list of the important engagements in which Canadians fought, a few vital facts in regard to the war, and colored illustrations of the insignia of the Canadian army. It is an interesting booklet and one well worth keeping.

At the meeting of the City Council last night a resolution moved by Alderman McMeekin and seconded by Alderman McCrae asking the Provincial Government to give the city a piece of waterfront in fulfillment of certain pledges made several years ago was passed without discussion.

When one housewife went to her meat safe this morning to get out butter for breakfast, instead of the two pounds which were there last evening, this morning they had disappeared along with a pound of lard. The identity of the hungry visitor during the night watches remains a matter of conjecture.

Alderman Casey at the City Council last night referred to the necessity of constructing cross streets at the east end of the city. Some of the people on Sixth St. were saying they would refuse to pay their taxes unless they obtained some measure of relief from present conditions.

Mayor McClymont presented his report on the work of the year at the meeting of the City Council last night. He also made some recommendations in regard to the future policy, especially advocating the construction of permanent work wherever possible.
