

## CLUBMEN DANCE AT ROOMS LAST NIGHT WITH LADY FRIENDS

President and Members of the  
Prince Rupert Club Held First  
Open Night Since  
the War.

The Prince Rupert clubhouse presented an unusual appearance last night when the wives and lady friends of the members were invited into the mysteries of club life. There was a large attendance and a most enjoyable time was spent in cards and dancing. Walker's orchestra provided the music and an excellent buffet supper was served in the billiard room.

Naturally the ladies were interested in exploring all the different parts of the building. One member in taking a group round led them to the bar and facetiously remarked: "This is the club." The remembrance of the dryness of the bar, however, caused some merriment. Some of the ladies suggested that it would now be in order for them to follow suit and establish a club of a similar nature.

The members of the club being generally of somewhat mature years and many of them carrying that amount of adipose which goes with age and prosperity, were many pounds lighter on leaving than when they arrived, for the floor of the big sitting-room was in good shape, the music excellent and the ladies were keen on the exercise. It was an hour or two past midnight when the party broke up and many were the expressions of pleasure from the visitors at being given this opportunity of visiting the institution and spending so pleasant an evening.

The president and members of the house committee are now receiving congratulations on the success of the affair, which was especially notable for the number of old timers gathered under one roof.

## MUNITIONS BOARD STORING THEIR LOGS

The Imperial Munitions Board is looking after the logs which are in the water and work has already started on the work of storing them until such time as they can be cut up. The Davis rafts in the harbor are being broken up and the logs towed to the booming grounds of the Prince Rupert Lumber Co. where there is a stream of water running in that will keep the logs free from teredo. Some of the logs will be towed to Port Edward where they will be stored in the slough and they will be high and dry part of the time.

## FAIRBANKS-CHAPLIN GOOD COMBINATION AT THE WESTHOLME

Those who saw the Fairbanks picture "Down to Earth" at the Westholme last night were enthusiastic over it. As one member of the audience said on leaving the show, "it was a ripping good picture."

Fairbanks is always interesting. He is such a keen athlete himself and he so delights in showing the advantages of an athletic life that it is difficult to get away from his enthusiasm. In "Down to Earth" he arouses this enthusiasm in those who watch the pictures.

Owing to the fact that so many people were unable to see Charlie Chaplin at the beginning of the week the management has by request put it on again for tonight. These two films make an all-star program that cannot be beaten.

## MANY MOVIE FANS WITNESS WILLIAM HART AT EMPRESS

So good was "The Bargain" starring William Hart at the Empress last night, and so enthusiastic was the large audience regarding the play that it has been decided to put it on again tonight. It is a stirring story of stage coach robberies, of gun men and of love and intrigue, all woven into a perfect drama that is most thrilling and attractive. Hart is a master actor and his plays always draw a crowd.

Mutt and Jeff and other features also add to the interest of the program.

## DIFFICULTIES OF TRAIL CLUB AIRED IN COURT

The case of Hatch vs. Ernst was heard yesterday before Judge Young in the County Court. This was for the dissolution of partnership in the Trail Club on Sixth Street, and an accounting. The affairs of this club were gone into and some interesting details were brought out in court. After hearing counsel and the evidence the judge advised that the matter be settled out of court, failing which there was the possibility of his making an order for sale. The plaintiff had made an offer to buy or sell at a certain figure, while the defendant wanted to sell.
