

There is Real Economy

# in ELECTRIC COCKING

Bring down the cost of housekeeping with electric cooking. Get your electric range now on easy terms at the sensational price now in effect. It will save money for you from the minute it is installed. Savings on food alone in a month will easily amount to the cost of a good-sized roast of beef. With all nourishing elements retained and waste ended, six pounds will do the work of seven. Every dish tastes better and is prepared with far less trouble. Many families do all their cooking on an Electric Range for a month for as little as
