CANADIAN ARTIST SCORES SUCCESS

Frank Nicolet of the Southam Press, whose poster design for the Victory Loan campaign won such distinction, has added to his laurels through work submitted to the National War Savings Committee for the War Savings and Thrift Stamps campaign. His design for a poster entitled "Reconstruction" was unanimously accepted by the Committee. It portrays a young, vigorous Canadian just returned from overseas, still in khaki, but with his tunic off and sleeves rolled up, about to put his hands upon the plough handles. In the background is a magnificent rainbow, indicative of the spirit of hope that is characteristic of Canada at the present time.

Title cannot be obtained on these claims in less than 5 years, with improvements of \$10 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years.

The decision of the Minister of Lands in respect to the adjustment of a proportionate allotment is final. The time for making application for these allotments is limited to the 1st day of May, 1919. Any application made after this date will not be considered. These allotments apply to town lots and lands of the Crown sold at public auction.
