## LEGISLATURE WAS OPENED INFORMALLY

Frank Giolma and Major Burde  
Introduced—Initiative and  
Referendum Mentioned  
In Speech.

(Special by G. T. P. Telegraphs.)

Victoria, Jan. 31.—Shorn of all  
the usual time-honored cere-  
monial and lacking the presence  
of the numerous and distinguished  
visitors on the floor of the legis-  
lative chamber itself, the third  
session of the fourteenth parlia-  
ment of British Columbia was  
formally opened by the Lieutenant  
Governor at three o'clock yester-  
day afternoon.

Out of respect for the memory  
of His Royal Highness Prince  
John and in deference to the Im-  
perial court order for a period of  
national mourning yesterday's  
occasion was marked by the ut-  
most simplicity and the opening  
formalities were disposed of with  
quiet promptitude.

### Members Introduced.

All invitations issued by the  
Hon. The Speaker were automati-  
cally cancelled on receipt of the  
royal decree while in view of the  
prevalent epidemic and the desire  
for an avoidance of anything ap-  
proaching a crowd the public  
galleries were by no means typi-  
cal of the animated scenes which  
have characterized the ceremony  
in former years. New members  
introduced were Frank Giolma,  
junior member for Victoria, and  
Major R. J. Burde, member for  
Alberni.

### Speech from Throne.

The speech from the throne  
foreshadows legislation dealing  
with the public utilities commis-  
sion, superannuation of civil  
servants, amendments to the Pro-  
hibition act, housing legislation,  
implementary legislation in con-  
nection with soldiers' retirement  
and an initiative and referendum  
bill will also be introduced.

Other matters mentioned in the  
speech are, the establishment of  
a public library and commission,  
further relief for returned sol-  
diers in tax sales, better regula-  
tion of public schools in alien  
communities, to provide for de-  
velopment of land in South Oka-  
nagan district for returned sol-  
diers, the voting of an emergency  
appropriation to provide employ-  
ment during the year in carrying  
on development work of a pro-  
ductive nature, the disfranchise-  
ment of deserters and draft eva-  
ders.

## THAT DEVIL, "BATEESE," WAS FRENCH-CANADIAN

Story of Eastern Canada Shown  
Tonight at Empress Theatre  
is Exciting.

"Batiste Latour—"That Devil,  
Bateese," came down the river  
on a raft. On one side of his  
girdle hung a flask of white  
whiskey. On the other side a  
knife gleamed evilly in the yellow  
sun of a French-Canadian morn-  
ing.

Being quite pleasantly drunk  
and with nothing to worry him  
but his pay which jingled teasing-  
ly in his pocket, "Bateese"  
was nearing the town of Mont-  
rouge where excellent liquor was  
to be had and no one to bother  
except old Father Pierre who  
pestered one about hearing mass,  
yet was kindly in his criticism of  
white whiskey.

On the mossy shore "Bateese"  
saw the twigs wave violently as  
though a struggle was going on  
in the thicket. He jumped ashore  
in time to save Kathleen St. John  
of Montreal from being forcibly  
kissed by Courteau, a bully of the  
woods.

The rest of the story may be  
seen at the Empress Theatre to-  
night.

This service is provided by the Medical  
Branch of the Department of Soldiers' Civil  
Re-Establishment.

An ex-soldier or ex-sailor who has a recur-  
rence of a war disability should, if he is not  
too ill, go at once to the local medical officer  
of this Department.

If he is too ill he should have that medical  
officer notified at once.

Should he be taken ill in a place where there  
is no representative of the Department, he  
should call in a local physician to give him the  
necessary immediate treatment and ask him to  
communicate immediately all details of the  
case to the nearest medical officer of the  
Department.

The name of the authorized medical representative  
of this Department for each locality is given along-  
side.

Treatment at the expense of this Department can  
only be secured through these representatives. The  
Department cannot pay any bills for treatment which  
have not been authorized by the Department.

If the medical officers recommend it, pay is given to  
patients, and allowances are granted to their dependents  
by the Department, during the period of treatment.

The established scale of pay and allowances that may  
be granted depends upon the extent to which the  
treatment recommended by the medical officer of the  
Department prevents the patient from doing his  
regular work.

Arrangements for special care of patients of the  
Department have been made with hospitals in all the  
larger towns and cities from coast to coast.

Sanatoria for treating tuberculosis under most  
favorable conditions are operated in every Province  
under the direct supervision of the Department.
