DIRECTORS ARE APPOINTED FOR THE HOSPITAL

Annual Meeting of Association Held Last Night—Committee Appointed to Report on Municipal Operation.

Officers were elected and reports received at the regular meeting of the Prince Rupert Hospital Association held in the Council Chamber at the City Hall last night with D. G. Stewart presiding. The directors for the year are, D. G. Stewart, E. C. Gibbons, J. D. McAuley, W. E. Williams and J. C. McLennan with Hon. T. D. Pattullo Hon. president.

A committee consisting of M. M. Stephens, J. C. McLennan and D. G. Stewart, was appointed to report on the feasibility of the municipality taking over the hospital and running it in conjunction with the Provincial Government, and to report at a future meeting.

Was Discussed.

Prior to the appointment of the committee there was some discussion. Mr. Stephens suggested that in the final analysis the city footed the bills; Mr. Gibbons thought that if a change was made the special grant might be more difficult to get; Mr. Nelson doubted if more interest would be taken if the change were made; Judge Young suggested the appointment of the committee; D. G. Stewart remarked that the G. T. P. had an interest in the hospital and their permission would have to be obtained to any change Mr. McLennan had always heard the work of the board well spoken of and doubted if it could be done better under any other management.

Directors' Report.

The secretary read the report of the board of directors for the past year which showed that there had been 796 patients during the year which was 237 more than the previous year. The death percentage had been 8.16, which was much higher than usual owing to the influenza. The report also expressed appreciation of the work of the nurses during the time of the flu epidemic and thanked the ladies' auxiliary for their good work.

Finances.

The financial statement showed the association to have a bank overdraft of \$1160.07 and sundry creditors to whom they owe \$9,946.62, making a total current indebtedness of over eleven thousand dollars. Against this there are outstanding amounts due by patients amounting to over ten thousand dollars, most of which, it is to be assumed, will not be collected. There is also about ten thousand dollars due the hospital from the Provincial Government and the city. Among the other assets are the real estate, building and equipment.

Votes of thanks were passed to the staff, including the nurses and secretary and to the retiring directors.

Those present at the meeting were Judge Young and Messrs. Stewart, Albert, McLennan, Clapp, Stuart, Gibbons, McAuley, McIntosh, Broderick, Nelson, Stephens and Wright.

D. C. Stuart was appointed auditor for the year at the annual salary of \$100.
