

EVERY WINTER FOR 20 YEARS

writes Mr. I. Whitesmith, of Manilla, Ont. "I suffered agonies with chapped and cracked hands. My thumbs were so badly cracked that they actually never healed up from one winter to the next. As I am a watchmaker, I found it very awkward to do fine work with my hands in such a state.

"Of course, I tried remedy after remedy, but nothing was capable of effecting a permanent cure until I used Zam-Buk. This wonderful ointment, in conjunction with Zam-Buk Soap, cured me completely and permanently—even to the healing of the cracks in my thumbs—cracks of twenty years' standing!"

For frost-bite, chilblains and cold sores, Zam-Buk is equally effective, and nothing can compare with it for eczema, ringworm, chronic sores, poisoned wounds, piles, cuts, burns and scalds. All dealers or Zam-Buk Co., Toronto. 50c. box.

WAGES AT GRANBY ARE BEING CUT TO MEET CUT IN COPPER

The price of copper is going down and the cost of living is beginning to drop. Wages must also go down wherever copper is made or the smelters and mines must cease to operate. That seems to be the position of the Granby Consolidated Co. Word brought from the smelter, town last night says that the company is making a cut in the rate of wages and that the action is resented by the men, who threaten to strike. When it is seen, however, that the general trend of wages is downward and that the company cannot operate on the low-grade ore at the present cost, better counsels may prevail and the men may decide to continue.

Word has been received here that the Granby people have given notice of a reduction of wages at Grand Forks to correspond with the cut here.

EDMONTON TRADES COUNCIL EXPRESSES VIEWS ON TAXATION

Edmonton, Feb. 6.—The Trades and Labor Council of this city, at a meeting in the Labor hall went on record as being definitely opposed to the city improvement tax. The recommendation of the special committee appointed to deal with charter amendments, read as follows: "Re the question of improvement tax, we recommend that this council ask for the repeal of assessments for improvements, and, further, that we draw to the attention of the plebiscite granting power to the city council to impose this tax was not endorsed by the electorate."

Other matters in connection with charter amendments that were dealt with included, the proposed tax on personal property, of which the council expressed disapproval. The taxing of incomes over \$3,000 will also be opposed. In connection with plural voting, the committee will make a further report, "with a view to bringing in a recommendation to change the whole powers of voting in municipal elections."

PRINCE GEORGE

At the annual meeting of the Board of Trade nearly twenty new members were enrolled and much interest was taken in the proceedings. The following officers were elected: President, H. G. Perry; 1st vice-president, W. L. Hornsby; 2nd vice-president, T. Austin; Secretary-treasurer, J. H. Johnson; Executive Council, I. B. Baird, A. Leith, C. C. Reid, H. B. Guest, J. G. Quinn, Hugh McKenzie, E. Jones, P. E. Wilson, N. C. Jorgensen.

At a special meeting of the council it was decided to discontinue the payment of aldermanic salaries and the indemnity bylaw was amended to that effect. This position was taken without contra proposal or argument. The mayor's salary of \$1200 a year was endorsed by the council.

Attention to Salmon Trollers

The finest and most economical engine on the market today is the

Doman Engine for Trolling

Made of the finest materials possible, by a firm who have the whole interest of the fisherman at heart, it is an Engine hard to beat.

Made in all sizes, from 5-7 H.P. to 85 H.P., the Doman engine has been put on the market specially for fishing boats. It burns distillate as well as gasoline, and a mechanical turn of mind is not necessary to run a "DOMAN" fishing boat engine.

For heavy duty, the "N. & S." engine with reversible propeller is the best.
