and help this country's greatest industry

EVERY TIME you pour your milk or cream over crisp, brown Shredded Wheat, you help yourself and you help Canada. You help yourself because Shredded Wheat gives you full food value at extremely low cost. You help this country because you boost our greatest industry; wheat-farming.

Shredded Wheat is ALL the wheat. Nothing is added. Nothing is taken away. The bran is there in just the right proportion. Shredded Wheat is pure whole wheat - nature's most complete energy-building food.

Try two of these golden biscuits for breakfast or lunch. Keep it up for a week. You'll soon decide to enjoy that 'on the toes" feeling all the time.
