GEORGE HILL WINS ROLLER RACE AT RINK

Second and Third Men Come in Almost Neck and Neck—Next Race Thursday.

Amid much enthusiasm and after a hard race George Hill, Jr., came in half a round ahead of his two competitors in the roller race at the rink last night. Charlie Stuart came in second, but the third man, Douglas Storings, was so close that it was practically a neck and neck finish.

The race was very close and clean and was followed by the spectators with a great deal of interest which developed into excitement as the second and third men crossed the chalk line.

There were the usual many skaters on the rink until the race commenced and after the race the fun continued, the invigorating movement and pleasant associations making all enjoy themselves to the full.

The race last night was the first of a trio of roller events, the winners of the best two out of three receiving the valuable prizes which have been offered by the management. The next race will take place next Thursday, at the same place and time.

EARLE WILLIAMS, GRACE D'ARMOND

Two Movie Stars at the Empress Tonight in Story of Actress.

Heredity may be responsible for the acting ability displayed by Earle Williams, who is featured in the part of John Strangeway in "In the Balance," which will be the attraction at the Empress Theatre tonight.

His mother's brother, James Paget, was a famous actor a generation ago. However, his entry into the screened drama was merely the result of a desire to kill time that hung heavily on his hands during the summer. He applied for work with the Vitagraph Company as an extra, but his natural qualifications soon carried him to the top. In this photoplay, an adaptation from the novel, "The Hillman," by E. Phillips Oppenheim, Mr. Williams plays the part of a puritanical hillman who wins the heart of an actress through the strength and integrity of his character. He is supported by Grace D'Armond, Miriam Miles, Denton Vance, Julia Swayne Gordon, Robert Gaillard, and Templear Saxe.

G. A. Bryant and family left for their old home in Mt. Vernon, Iowa, last night on the Prince Rupert. They expect to be away about six or seven weeks.

M. Albert sailed for Vancouver on the Prince Rupert last night on business.

Attention to Salmon Trollers

The finest and most economical engine on the market today is the

Doman Engine for Trolling

Made of the finest materials possible, by a firm who have the whole interest of the fisherman at heart, it is an Engine hard to beat.

Made in all sizes, from 5-7 H.P. to 85 H.P., the Doman engine has been put on the market specially for fishing boats. It burns distillate as well as gasoline, and a mechanical turn of mind is not necessary to run a "DOMAN" fishing boat engine.

For heavy duty, the "N. & S." engine with reversible propeller is the best.
