COUNCIL WILL TAKE POWER TO CANCEL TRADE LICENSES

Bylaw Introduced at Meeting Held
Last Night and Passed
Second Reading.

A short bylaw giving the City Council authority to cancel trade licenses was introduced and passed through its early stages at the meeting of the City Council last night. This will give the Council power to cancel licenses to sell soft drinks when it is found that liquor is being sold illegally. Also it will apply to cabarets and other local businesses.

There was little discussion regarding the bylaw and it passed its second reading by a unanimous vote of the Council.

MABEL NORMAND AS COMEDienne ALSO

"A Perfect 36" is Delightful Play
Full of Healthy Fun at
Westholme.

A prank a minute is Mabel Normand's record in "A Perfect 36," her latest picture, which is at the Westholme tonight.

As a boarding house slavey, a travelling saleswoman, a diving girl and an alleged jewel robber, the screen's most delightful comedienne gives more of her joyous self than in any of her recent comedy successes.

Right at the start Mabel (that's Miss Normand's name in the play, too) gets in some strong licks as a jokester after her employer sets her to the task of preparing a wall. Needless to say, more of the paste is deposited on the boarders' clothes, the landlady's pet poodle and on the dining room table than on the ceiling. Her novel way of preparing having cost her the job, Mabel finds new employment as a travelling waist saleswoman. Pity the poor people on whom Mabel is thrust in her first night's ride in a Pullman car!

The play is full of fun and healthy merriment.

MABEL NORMAND IN SPLENDID ROMANCE

The "Venus Model" to be Shown
At Empress Theatre Deals
With Bathing Suits.

Mabel Normand is called upon in her latest photoplay, "The Venus Model," to do many unusual things, such as designing bathing suits, building up the business of the firm employing her, bringing a young collegian to his senses, advertising a bathing suit by posing in a shop window clad in it and—oh, everything. And there is something more than this, Mabel Normand, as Kitty O'Brien, reforms a vampire and wins her friendship as well.

In her character of the happy-go-lucky working girl who wins promotion to the post of head designer in the bathing suit establishment, Mabel Normand comes in contact with the son of the owner. She is unaware of his identity and regards him only as a promising worker. Gradually her interest becomes deeper, however, and soon she is in love with him.

"The Venus Model" is to be seen at the Empress tonight.

Attention to Salmon Trollers

The finest and most economical engine on the market today is the

Doman Engine for Trolling

Made of the finest materials possible, by a firm who have the whole interest of the fisherman at heart, it is an Engine hard to beat.

Made in all sizes, from 5-7 H. P. to 85 H. P., the Doman engine has been put on the market specially for fishing boats. It burns distillate as well as gasoline, and a mechanical turn of mind is not necessary to run a "DOMAN" fishing boat engine.

For heavy duty, the "N. & S." engine with reversible propeller is the best.
