

## BEDRIDDEN WITH RHEUMATISM

Felt That He Would Never Walk Again  
"FRUIT-A-TIVES" Brought Relief.

MR. LORENZO LEDUC

8 Ottawa St., Hull, P.Q.  
"Fruit-a-tives" is certainly a wonder. For a year, I suffered with Rheumatism; being forced to stay in bed for five months. I tried all kinds of medicine but without getting better; and thought I would never be able to walk again.

"One day while lying in bed, I read about 'Fruit-a-tives' the great fruit medicine; and it seemed just what I needed, so I decided to try it.

The first box helped me, and I took the tablets regularly until every trace of the Rheumatism left me.

I have every confidence in 'Fruit-a-tives' and strongly recommend them to every sufferer from Rheumatism".

LORENZO LEDUC.

## RUPERT JULIAN'S DRAMA "THE SAVAGE"

Famous Photoplay is to Be Seen Tonight at the Empress Theatre.

Rupert Julian's famous dramatic production, "The Savage," is to be the feature at the Empress Theatre tonight. Ruth Clifford and R. Monroe Salisbury are the stars and the play is one that has caused a sensation throughout the big cities.

"The Savage" is a play of the west with all the red-blooded passionate personalities that go with such a play. It deals with the elemental passions and is a most attractive play.

## WHALING SEASON TO OPEN ABOUT APRIL 1

Steamers Being Overhauled in Preparation for Early Start; Two Stations on Queen Charlottes.

Preparations are now under way for an early commencement of the 1919 whaling season. It is announced by S. C. Ruck, manager of the Consolidated Whaling Corporation, that the season will open this year by the first week in April when the fleet of steam whalers will set out from Victoria on the annual hunt for whales.

The vessels are now being overhauled in batches of four and it is anticipated that the mammal hunters will be ready to put to sea by the latter part of next month. The British Columbia stations at Kyquoot, Rose Harbor and Naden Harbor are being prepared for the opening of the whaling season and everything will be in readiness for active operations by the time the steam whalers arrive at their respective bases.

#### The Boats.

Distributed among the three British Columbia plants will be the whalers William Grant, Orion, St. Lawrence, Black, Brown, Blue, White, and Green.

The whalers Kodiak, Unimak, Tanganak and Patterson, after completing overhaul will be dispatched via Seattle to Akutan, Aleutian Islands. These vessels have been laid up at Point Ellice all winter and are now being outfitted for service.

In point of catch the Akutan station was the most productive station of any controlled by the whaling corporation last season.

#### More Whale Meat.

This year it is proposed to pack a greater quantity of whale meat at the Akutan plant to meet the increased demand for this variety of food.

The whalemeat cannery at Kyquoot will also be operated to the extent of its full capacity throughout the season. There has developed a large market for canned whalemeat and the Kyquoot cannery will supply the bulk of the season's orders.

The company will operate three steam whalers from the whaling station at Bay City.

The tenders Gray and Elihu Thomas will ply between the stations, carrying supplies on the northbound trips, and returning with cargoes of whale oil and whalemeat.

## Doman Engine for Trolling

Made of the finest materials possible, by a firm who have the whole interest of the fisherman at heart, it is an Engine hard to beat.

Made in all sizes, from 5-7 H.P. to 85 H.P., the Doman engine has been put on the market specially for fishing boats. It burns distillate as well as gasoline, and a mechanical turn of mind is not necessary to run a "DOMAN" fishing boat engine.

For heavy duty, the "N. & S." engine with reversible propeller is the best.
