**Renewal of Life
 In Sport Activities.**

As the days lengthen and the sun becomes more powerful everyone looks forward to the spring days and with them the opening of the spring sports and amusements.

This year there is a renewal of life in all departments. Business has great expectations and there is a zip to social activities which has not been felt for a long time past. There will also be a revival in sports and games and with the coming of spring plans are already being laid with that end in view.

Notices are already out for a meeting of the Rowing Club and it is understood that the Tennis Club members are looking over their racquets and planning for the opening of the season with a big ball.

**Swimming is Sport
 Above All Others.**

In a seaport town and especially in a place that has the advantage of a fine warm little salt lake such as that possessed here, swimming should be the one sport that takes prominence over all the rest. The reason for it is clear. For those who live by the water and often go on the water it is very desirable that they learn to swim and swim well. There are so many occasions when the art may be useful that the wonder is any neglect it.

The children who attend the schools should everyone swim, boys and girls. They all like the sport and if they are encouraged they easily excel. During youth is the time to commence. The chief drawback is in having to cross the harbor every time a swim is desired. The Alice B. gives a good service, however, and there are many private boats crossing regularly. Transportation should not be a deterrent.

**Make Improvements
 At Salt Lakes.**

Last year some very important improvements were made at the salt lakes. The landing float was built and it makes it perfectly easy for launches to tie up at any stage of the tide. This was the most important improvement, but there were others. There is a ladies dressing pavilion which answers the purpose until a better one can be secured, but there is no pavilion for men and one should be built at once. Improvements will be needed in the way of clearing up debris and putting down sand for the children and doubtless the Swimming Club committee will have other recommendations to make.

To make the necessary improvements money is needed. A date has already been set for the annual meeting of the Swimming Club and at that time active steps will be taken to raise money for this worthy object. It is understood also that a Swimming Club ball is planned for the near future with the same object. A good deal of money could be spent with advantage and to help raise this there should be a large membership in the club.

**"Tobin's Tigers" or Gallant
 72nd---They're all the same**

When it comes to eating pastries, like chasing jerries—they can't be beat. Many, many months they have gone without—war bread and war jam being the "limit"; causing a constant remark from each campaigner: "Just wait till I get back home." Cakes, pies and jam tarts are going to be "head-liners" on HIS home-coming bill-of-fare.

And you can give him the treat of his life; beat his imagination and tickle his palate beyond expectations by using **WILD ROSE PASTRY FLOUR**. You can bake these cakes, pies, etc., from a special pastry flour; get softer, fluffier crusts; richer cake bodies and save 25 per cent. shortening besides. There's nothing too good for HIS home-coming.

**TWO ATTRACTIONS
 AT EMPRESS THEATRE**

Charlie Chaplin and Mary Anderson
 Both to Be Seen Tonight
 at Popular House.

There are two great attractions this evening at the Empress Theatre when Charlie Chaplin will appear in an aristocratic role, and as "The Count" is funnier than ever. Charlie Chaplin always draws full houses, wherever he appears.

In addition to the Chaplin film there is also a Vitagraph feature, entitled "The Flaming Omen," starring Mary Anderson and Alfred Whitman. This is a remarkable photoplay and shows how the virtues of the fathers, like the sins, are often visited upon the children even unto the third and fourth generation, and on occasion even further than that. It is a striking exemplification of the manner in which the call of blood, echoing down through the centuries is answered, in this case by the lone survivor of a noble race.

Altogether, the Empress program attains to a high standard of excellence, and a fine evening's entertainment is assured.

Queen Charlotte Islanders cannot do better than mail their printing needs to The News Print shop and get the work done promptly and well.
