A. M. MANSON TALKS ABOUT AGRICULTURE

Drastic Powers Given Land Settle-
 ment Board to Ensure
 Speedy Action.

Alex. M. Manson, member of the
 Legislature for the Omineca con-
 stituency, is home after a stren-
 uous session at Victoria. There
 was a good deal to do and all were
 anxious to get home, so they
 worked night and day in order to
 get finished up. Speaking of the
 session Mr. Manson said that a
 good deal of useful legislation
 had been passed. The Land Set-
 tlement Board had been strength-
 ened, giving the Board more
 powers.

Powers Drastic.

Mr. Barrow explained to the
 Legislature that while the powers
 given the Board were drastic, it
 was not the desire of the Govern-
 ment to exercise them unduly. It
 desired the fullest co-operation
 of landowners in colonizing and
 developing unoccupied lands, but
 the Government was determined
 that nothing should stand in the
 way of the speedy bringing into
 cultivation of the agricultural
 lands of the province. The first
 requirement of the province was
 a happy and industrious agricul-
 tural population and, in view of
 the great number of returned
 soldiers the Government felt the
 time was particularly opportune
 to populate the land with men of
 their own blood instead of with a
 foreign population as in days
 gone by.

Dr. Warnock.

One of the most important
 moves in connection with the
 agricultural development of the
 province in recent months, said
 Mr. Manson, had been the ap-
 pointment of Dr. Warnock as
 deputy minister of agriculture.
 Dr. Warnock has not only a bril-
 liant record as a student of agri-
 cultural matters, but has had the
 advantage of ten to fifteen years'
 useful experience in actual ranch-
 ing. During the last eighteen
 months he was a valued member
 of the British Remount Commis-
 sion in Canada and the work was
 thought so highly of that he was
 made a member of the Order of
 the British Empire. He has also
 had parliamentary experience
 which makes his practical value
 distinctly great.

MISSION DAYS OF METHODIST CHURCH

Dr. White Gives an Interesting
 Address on His Experiences
 At Church Last Night.

The Rev. Dr. White addressed
 an interested audience last night
 in the Methodist Church, when he
 talked about his past experiences
 in the early mission days.

He spoke of the gold rush up
 the Fraser River in the year 1859,
 when his father, Edward White,
 had mentioned the great need of
 missionaries in the northern part
 of British Columbia and was the
 first volunteer to offer his services
 for the cause.

Dr. White then told how a small
 band was formed, headed by his
 father, leaving Toronto on the
 last day of the year 1858, reach-
 ing Vancouver Island in due
 course.

"These men took an interest in
 the development of the country,"
 the speaker went on, "they wanted
 to do something more than just
 preach. I have no sympathy at
 all for a missionary who talks
 about his hardships."

Dr. White also touched on the
 great work done by James Turner
 who was one of the first pioneers
 in the Yukon, and of the great
 hardships he suffered. He also
 told of his arrival in this city
 shortly before the steel came
 through. At that time he ex-
 perience some difficulty in find-
 ing a suitable site for the church,
 but after that was overcome,
 lumber was procured from
 Georgetown and work commenced.
 The Rev. C. S. Connor was pastor
 at that period.

At the meeting of the City
 Council last night the mayor an-
 nounced that the Council would
 soon appoint a clean up day when
 all yards would have to be tidied
 up.

People read the little messages
 in the classified column on page
 5. The moral is clear.

GEO. MUNRO WILL BUILD TEN HOUSES

Material Will be Purchased Direct
 From Manufacturers and None
 To Get Rake-off.

George Munro, the local grocer,
 is making arrangements to at
 once commence to build ten
 houses. This is part of the re-
 sult of the building campaign
 which has just started in the city.
 It is the expressed hope of the
 citizens generally that others will
 follow and make provision for the
 future citizens.

There seems to have been an
 idea prevalent that someone is
 to make big profits out of the
 building scheme. The committee
 has asked the Daily News to state
 that the city is being asked to get
 in sand and gravel which it will
 sell at cost to those wishing to
 build, that an effort is being made
 to have the brick plant at Ames-
 bury put in operation so that
 brick may be laid down here at a
 low price, and also that lumber
 will be purchased direct from the
 Prince Rupert or Georgetown
 lumber companies in order to get
 the lowest possible prices on ma-
 terial. No one is to get a rake-off.

BILLY HOLLIDAY IS SEEN AT WESTHOLME

Prototype of Billy Sunday in Great
 Show to be Repeated
 Tonight.

"Hit the Trail Holliday" is a
 great play. It was a delighted au-
 dience that saw it last night at
 the Westholme Theatre and it will
 be repeated tonight.

Billy Sunday, the baseball
 evangelist, is impersonated by
 Billy Holliday and the result is a
 most happy one. There is a big
 fight between the wets and the
 dries in which Holliday takes a
 leading part and of course he
 marries the girl.
