**\$2,500,000 FOR CIVIL SERVANTS EXTRA BONUS**

Interesting Business of House of Commons — Is Canada at War With Russia?

(Special via G. T. P. Telegraphs.)  
 Ottawa, April 3.—Government business, including the voting of supply, occupied the attention of Parliament yesterday. The estimates and the department of external affairs taken up. Hon. N. W. Rowell in connection with these votes, dealt at considerable length with questions relating to the activities of the Imperial War Cabinet and Imperial War Conference.

Mr. Rowell was unable to confirm the report that the French Government had donated Vimy Ridge to Canada, but said that the French Government had donated in perpetuity the land in which Canadians were buried. **Siberian Forces.**

Rowell explained that Canada had agreed to send forces to Siberia at the request of the British Government. After it had been decided that it was not possible for the Dominion to place a fifth division in the field.

There was quite a breeze late in the evening, when Major Power of Quebec wanted to know if Canada was at war with Russia, a question Mr. Rowell did not undertake to answer.

**Civil Service.**  
 A supplementary estimate tabled by Sir Thomas White, without mention being made of the amount, was for the sum of \$2,500,000 to extend the bonus granted to civil servants last year over the months of April, May and June.

A return tabled in Parliament shows that since the passing of the Civil Service Act in 1918, 1,672 permanent employees and 14,570 temporary employees were appointed by the Civil Service Commission. Of the appointments made 1,834 were returned soldiers.

**ASK CHANGE OPEN SEASON FOR DEER, GEESSE AND DUCKS**

Rod and Gun Club passes Resolution With View to Action Being Taken.

At the meeting of the Rod and Gun Club held in the court house last evening with President D. C. Stuart in the chair, it was decided to recommend to the attorney-general that the open season for deer in this district should commence September 1; for geese, September 15, and for ducks, October 1. These dates are earlier than those at present in force.

It was pointed out that in this district the best hunting for deer is early in the season before the woods get very wet. The geese arrive in September and are all gone in November. On the other hand ducks are often at their best just before Christmas.

The resolution will be forwarded to the attorney-general at once with a view to securing action this year.

Frizzell Pitches a Shutout Game That Turns Tables on the Youngsters.

There was a come back for the Prince Rupert Colts ball team yesterday afternoon when they wiped up the school's Entrance bunch at the Market Square, the score at the close standing 14-0 in favor of the former.

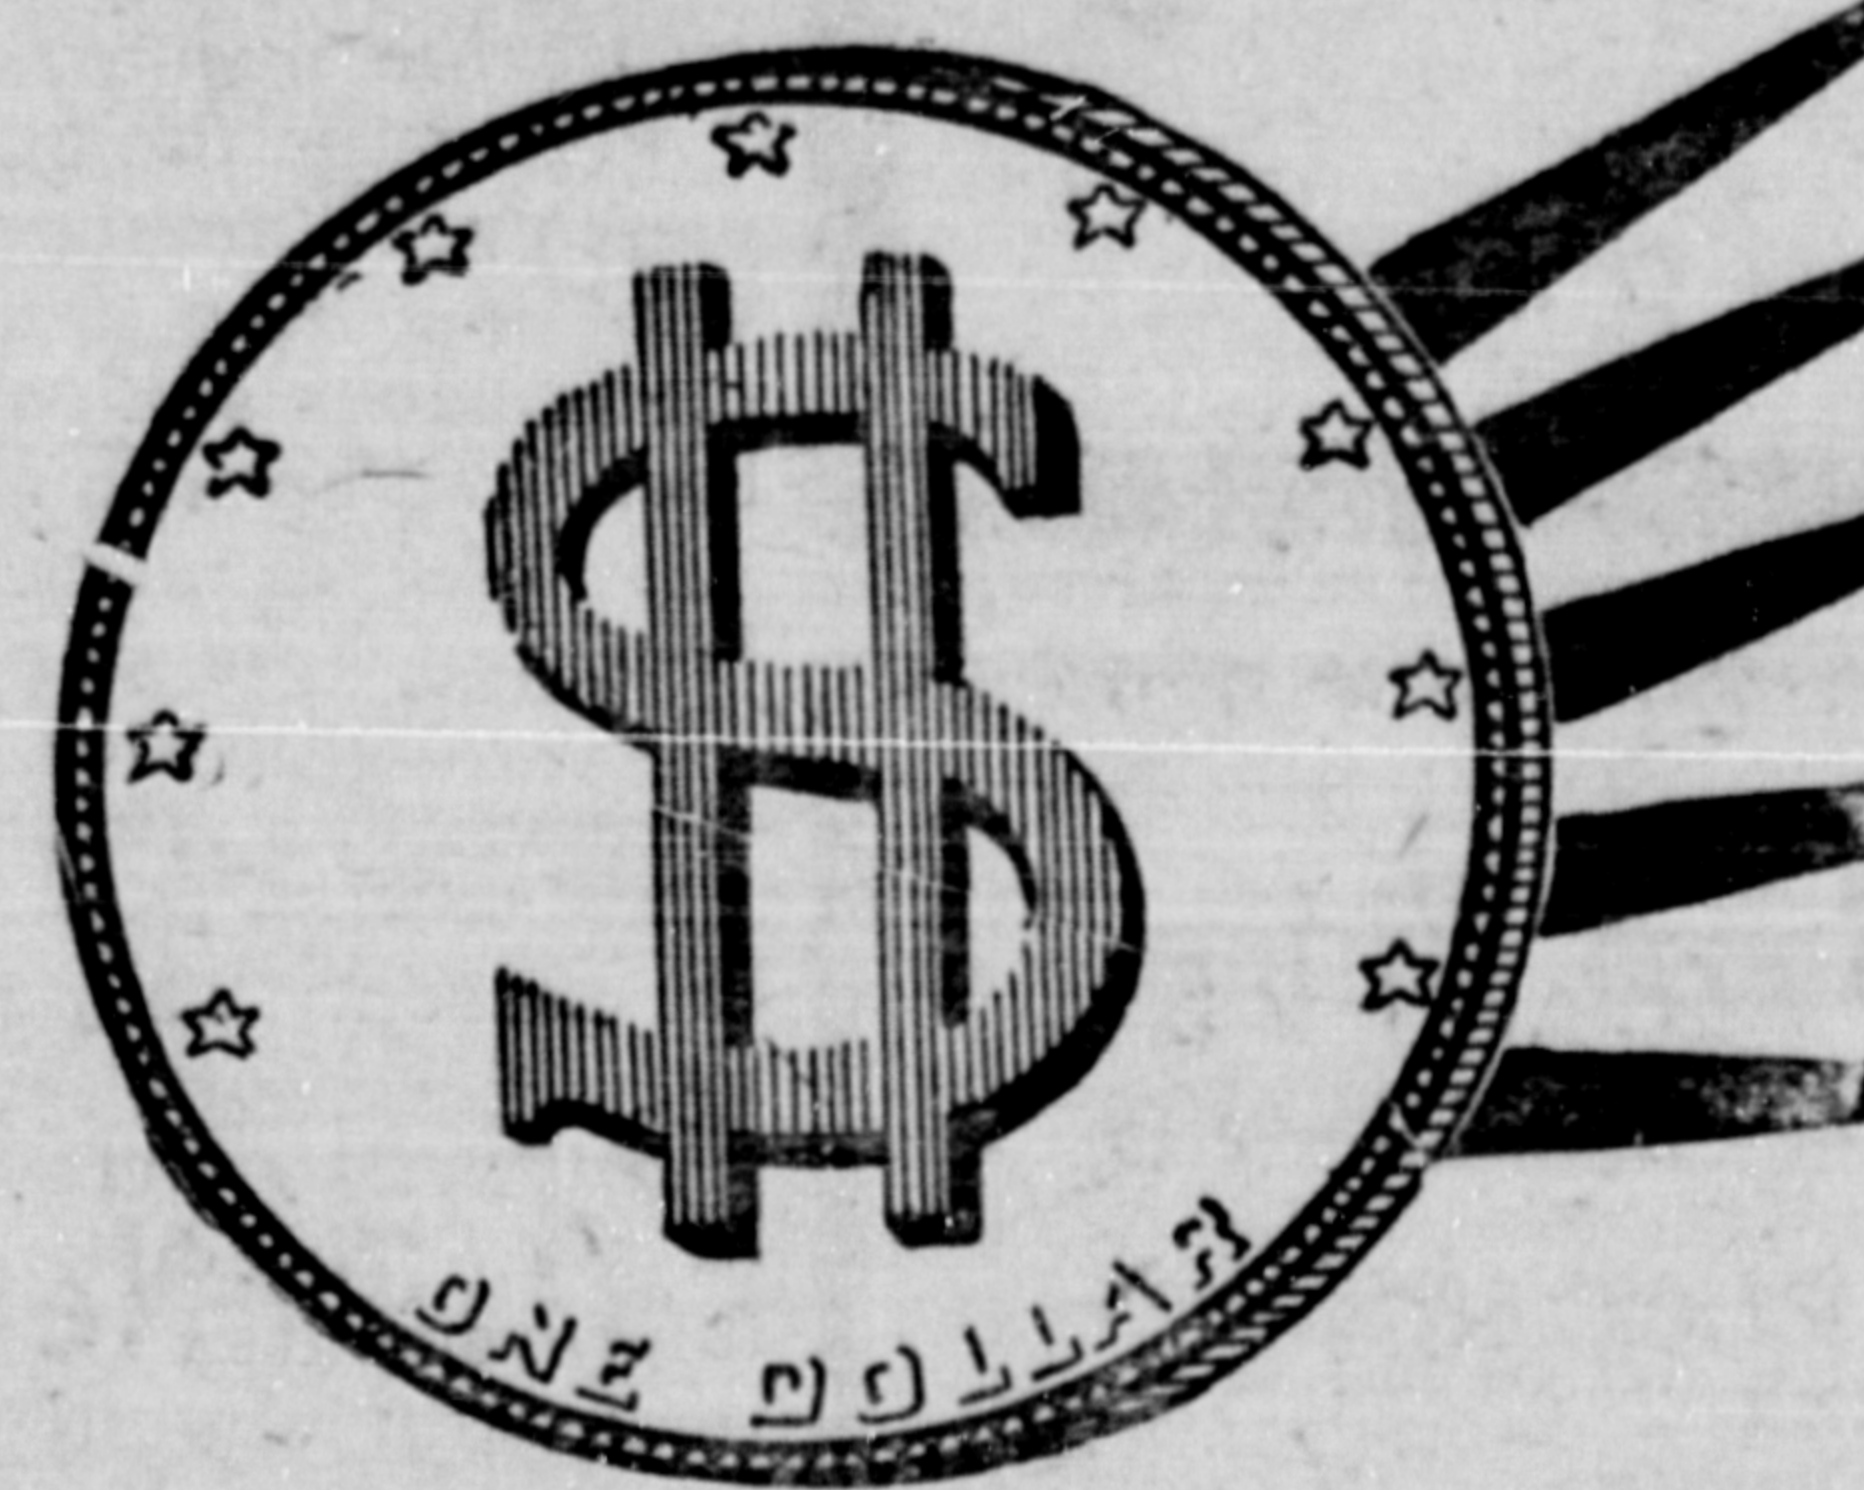

Frizzell pitched a shutout game that made a procession to and from the plate. The star on the same side was John Fotos who with a long drive to the right field made a home run. The teams were as follows:

Colts—Hill, Frizzell, Roberts, Hibbert, Martin, Currie, Fotos, Prudhomme and Suga.  
 Entrance—Smith, Montgomery, Morrison, W. Mitchell, Halvarson, Lambie, Zarelli, R. Shirk and W. Kergin.

**Gaining Force as The Days Go By— Goldbloom's Great Selling-Out Sale**

If this sale has not reached a stage bordering on the sensational, it's no fault of ours. We have printed a clear, concise statement of fact why we are selling out the entire stock of this Ladies' Specialty Shop. The people came in response to our first announcement of this sale. The first comers were surprised at the values they received for they were so much greater than advertised. They told their friends, and so the good news has been carried from mouth to mouth. Today the buying is as spirited as it was on the opening day, but even this stock, with its vast assortments, cannot withstand such steady selling.

Lines are being reduced as if by magic. Soon the end must come. If you haven't shared in these marvellous values, don't waste a minute—Come tomorrow. Read these few descriptions and you'll need no second invitation.
