GRAND TRUNK AFFAIRS STILL ARE SIMMERING

Dominion Will No Longer Pay
Interest Guaranteed By
Saskatchewan and
Alberta.

(Special via G. T. P. Telegraphs.)
Ottawa, April 5.—A statement
from Sir Thomas White that the
Dominion would not pay interest
on the Grand Trunk Pacific bonds
guaranteed by the various provinces,
develops the statement that such
interest has been paid out of
Federal advances in previous
years. Now, apparently, the Do-
minion authorities have decided
the provinces will have to foot
the bills, according to the Dray-
ton-Ackworth report. G. T. P.
branch lines have outstanding
bonds amounting to \$9,887,808
guaranteed by Saskatchewan and
\$3,589,596 by Alberta, a total of
\$13,469,004 on which \$12,688,544
has been raised.
The provinces could acquire
the branch lines under their
agreement covering the bond
guarantees but such action is not
considered likely.
Particulars of the negotiations
with President Kelly are not given
but it is stated that the new
proposals are not more favorable
than those already offered the
company.

IMMENSE BILL FOR SOLDIERS' DEPENDANTS

Germany to Pay to Keep Widows
and Orphans of Those Killed
in War.

(Special via G. T. P. Telegraphs.)
Paris, April 5.—Pensions to
disabled soldiers and widows and
orphans are included in the bill
to Germany for repatriation. The
peace conference leaders decided
that such relief to individuals
for losses and sufferings will be a
proper charge under the armis-
tice provisions.
Repatriation of losses to the
civilian population will consti-
tute a very considerable propor-
tion of fifty billion the amount of
the repatriation bill as now approx-
imately estimated. In the case of
Great Britain, the pension bill
will probably constitute the large-
est item of the total claim. It is
understood that the United States
will not lodge any claim under
this head, the U. S. soldiers being
covered by the United States
soldier insurance system.

ONTARIO TO GIVE WIDOWS MORE CASH

Important Change in Workmen's
Compensation Act in That
Province Increases
Allowance.

(Special via G. T. P. Telegraphs.)
Toronto, April 5.—Important
additions to the scope and regu-
lations of the Workmen's Com-
pensation Act are provided in a
bill introduced in the Ontario
legislature by Hon. I. B. Lucas,
Attorney-General.

The principal change is a fifty
per cent increase in the pension
allowed to widows, who are to re-
ceive a minimum of \$30 a month
with an additional \$7.50 for each
child. The allowance was formerly
\$20 for the widow and \$5
for each child.

LIQUOR MEN LOSE APPEAL

Court Throws Out Decision of
Chief Justice Hunter on Legal
Technicality.

(Special via G. T. P. Telegraphs.)
Vancouver, April 4.—The court
appeal unanimously quashed the
decision of Chief Justice Hunter
which declared illegal the inquiry
being made before Mr. Justice
Clements on the liquor question.
The Court of Appeal declared
Chief Justice Hunter was not sit-
ting as a court in reviewing the
Clement inquiry and so did not
apply the proper remedy.
The Court of Appeal decided on
this technicality and failed to give
opinion on the merits of the case.
Charles Wilson, K. C., who chal-
lenged the legality of the Clem-
ents inquiry will apply for an in-
junction to prevent a continuance
of the inquiry.

ALLIES UNITE WITH SIBERIANS

Troops Command Murman Rail-
way and Should Be Reinforced
Next May.

London, April 5.—News has
reached London that a detach-
ment of Admiral Kolchak's Sibe-
rian forces have succeeded in
getting in touch with a detach-
ment of the Allied forces in the
neighborhood of Archangel. The
position of the latter is causing
some anxiety. Allied troops com-
mand the Murman Railway and
consequently the western ports
on the White Sea and it is believed
there should be no difficulty in
getting reinforcements there by
the middle of May.
Recent reverses to the Bolshe-
viks have improved the Allied
prospects of holding out.

RE-ENTRY TIME OF CHINESE EXTENDED

Owing to Labor Conditions They
Are Allowed to Remain in
China A Year After
Peace.

Ottawa, April 5.—In view of
conditions of the labor market in
British Columbia, the Govern-
ment has decided to extend the
period of free entry of Chinese
immigrants.
Chinese registered out since
April 1, 1914, and who have
registered out before March 31,
1919, may prolong the period be-
fore return to Canada without in
any way affecting entry, until one
year after a proclamation has
been issued declaring that a state
of war no longer exists. At pres-
ent Chinese are entitled to free
re-entry, but are required to re-
turn within six months after the
signing of peace.

ment has occurred in the Soviet

COAL OUTPUT FOR MONTH OF FEBRUARY

Telkwa Comes at Bottom of List
With 236 Tons—Granby
2,891 Tons.

By reason of the fact that the
Crow's Nest Pass mines did not
work more than a dozen days in
February, the output for that
month is naturally not so heavy
in volume as that of January.
Moreover, it must be borne in
mind that the Vancouver Island
mines were two working days
short on account of the short
month. The total tonnage mined
for last month, therefore, is an-
nounced by the Hon. William
Sloan, Minister of Mines, as 195,-
000 tons.

The following is the complete
return made to the Department
by each company, with the name
of the mine included:

Canadian Collieries, Ltd., Co-
mox, 50,691 tons; Canadian Col-
lieries, Ltd., Extension-Welling-
ton, 19,535 tons; Canadian Col-
lieries, Ltd., South Wellington,
5,566 tons; Western Fuel Com-
pany, Nanaimo, 59,105 tons; Pa-
cific Coast Coal Mines, Ltd., South
Wellington, 4,719 tons; British
Columbia Coal Mining Co., East
Wellington, 2,748 tons; Nanose
Collieries, Ltd., Nanose Bay, 500
tons; Crow's Nest Pass Coal Co.,
Michel, 14,195 tons; Crow's Nest
Pass Coal Co., Coal Creek, 21,684
tons; Corbin Coal & Coke Co.,
Corbin, 3,172 tons; Middlesboro
Collieries, Middlesboro, 3,935
tons; Princeton Coal & Land Co.,
Princeton, 2,051 tons; Fleming
Coal Company, Merritt, 3,729
tons; Granby Company, Cassidy's
Landing, 2,891 tons; Coalmont
Collieries, Coalmont, 800 tons;
Telkwa, Telkwa, 236 tons. Total
tonnage, therefore is 195,557.

SOLDIERS TAKE EXCEPTION TO W.C.T.U. TAG DAY

Carry Banners Emblazoned "They
Cut Off Our Smokes" and as
Result Tag Called Off.

(Special via G. T. P. Telegraphs.)
Toronto, April 5.—A large
crowd of returned soldiers and
others carrying banners emblaz-
oned "They cut off our smokes,"
and other signs gathered in pro-
test against the granting of a
tag day to the W. C. T. U. to raise
funds for a new building here.
Tagging was in progress but
many ladies were scared from
the street corners by the demon-
strations.

The mayor and police commis-
sioners held an emergency meet-
ing which resulted in tag day
workers being called off the
streets.

tion to the crown of the distillery
apparatus and the whiskey found
