New Secretary is A. Hunter, Who Will Have Charge for This Year.

A Hunter was appointed secretary of the Agricultural and Industrial Association at its meeting last night. Mr. Hunter has had some experience with the work in past years and his efforts then were so successful that the Board found no difficulty in deciding on him. The meeting was held in the new offices which were found to be a great improvement over the old ones.

A request was made that the members should attend all meetings regularly as on their attendance to the work depended the success of the gathering. The following committees which were recommended by the president were then confirmed:

COMMISSIONER OF BOARD OF TRADE RESIGNED POSITION

E. H. Mortimer Steps Aside After Keeping Work Going Through Dull Time.

E. H. Mortimer last night resigned his position as commissioner of the Board of Trade. He said that he had taken charge at a time when the condition of the Board was very low. At the end of the second year they had broken even in the matter of finances and last year had closed with a few dollars ahead. Now he found the work was taking too much time and he had decided to step aside.

President McCaffrey was asked to appoint a committee to arrange for the appointment of a new commissioner to succeed Mr. Mortimer.

PATTULLO INVITED TO ATTEND MEETING OF BOARD OF TRADE

At the meeting of the Board of Trade held last night it was decided to ask Hon. T. D. Pattullo to meet the full board when he visits the city within the next few weeks. It was pointed out by G. W. Nickerson that this place should get part of the appropriation for public works, the two particular works mentioned being the construction of the island road and the erection of provincial buildings of a permanent character.

Mr. Patmore backed up Mr. Nickerson, saying that other places were not backward in asking for money and he did not think we should be.

There was an amusing time at the Westholme Theatre last night when the country store was in progress. The efforts of the owners of the lucky numbers to fish the prizes from a large box caused much laughter.

Clear the Skin

A beautiful complexion is the outward mark of good blood and a healthy body. When the stomach, liver and blood are in good order, the skin is clear and lovely. Unsightly blotches, pimples, eruptions and sallowness show the need of Beecham's Pills to stimulate and regulate the vital organs and improve the circulation. Good health and better looks soon follow the use of

Gives Better Results Than Milk

Why should you feed milk to your calves when you can sell that milk, gaining better results by feeding—

BLATCHFORD'S Calf Meal

Containing a wider range of proper nutriment, which is one of the secrets of successful calf raising, it surpasses any other food on the market. As the final results in money earned from your cattle depends upon the bringing up of the calf, it is of vital interest to you to inquire into this calf food.

For That Non-Paying Cow

Maybe just one cow in your herd, though eating as much as the others, only produces a few quarts of milk a day. There's a remedy for this in—

PRATT'S Stock Food

With a little attention in feeding, you can usually turn her into a profit-paying cow. PRATT'S STOCK FOOD assists Nature in aiding digestion and increasing the flow of milk. Begin feeding that poor milker, today. It means the difference between profit and loss.
