HOUSING SCHEME IS PROGRESSING WELL, ACCORDING TO REPORT

Everything Will Be Handed Over
To the New Directors Tonight
By Preliminary Committee.

A report of the committee which had fathered the housing scheme was made to the Board of Trade last night. Mr. Williams explained that the chief difficulty was in getting canvassers. They had been very successful whenever they had been able to get out after the money. He expected to be able to get the \$100,000 for which they were asking.

President McCaffery said they had already \$35,000 and by Saturday night expected that there would be at least \$45,000 if not more. Then they would hand the affairs over to the new board of directors who would have charge from that time on. He thought this would be the nucleus of a big thing for the city. He expected the co-operation of the ship-building company. It was a sound proposition and he did not see why they should not get the \$100,000 needed.

SOLDIERS' CIVIL RE-ESTABLISHMENT HAS OPENED HERE

The Provincial Government Labor
Bureau Also Will Use Same
Office Under J. M.
Campbell.

Bert Weirmouth of this city has opened an office here in connection with the Soldiers' Civil Re-establishment Department of the Dominion Government. He will take up officially all questions relating to returned soldiers such placing them in employment or in business. The office is on Second Avenue.

J. M. Campbell who has been appointed by the Provincial Government to open an employment bureau will have Mr. Weirmouth's office for the present. This bureau is in connection with the bureau being opened by all the provinces throughout the Dominion and is designed to keep workers properly informed as to the wages and conditions of labor and the needs at every point.

No permanent arrangements in regard to the employment bureau will be made until J. D. McNiven, Deputy Minister of Labor in the Provincial Government arrives here. He is expected soon and the bureau will then get into permanent quarters. Mr. Campbell is a returned soldier and a member of the Typographical Union and is well and favorably known here where he has lived for a number of years.

MINING TO FORE AT MEETING OF BOARD OF TRADE LAST NIGHT

A letter read at the meeting of the Board of Trade last night from the Free Miners' League asking the Board to help them to secure an assay office here, was referred to the mining committee after being favorably commented on by W. E. Williams and A. C. Garde. The latter suggested that every person buying a license should with the license receive a number of coupons which would enable him to get assays from any government assayer. The proposal had been brought before the Vancouver convention and endorsed unanimously.

Mr. Garde reported on his attendance at the mining convention as a representative of the Board. He told that there were 500 delegates present and that local representatives in addition to himself were George Frizzell, Martin O'Reilly and T. H. Johnson. The report of Geo. Clothier on this mining district was the best report given and attracted wide attention. Mr. Garde also said that he had been given an opportunity to bring the district before the mining men.

A hearty vote of thanks to Mr. Garde was passed by the Board.
