

### A CRIPPLE FOR THREE YEARS

Helpless In Bed With Rheumatism Until He Took "FRUIT-A-TIVES".

MR. ALEXANDER MUNRO

R.R. No. 1, Lorne, Ont.  
"For over three years, I was confined to bed with Rheumatism. During that time, I had treatment from a number of doctors, and tried nearly everything I saw advertised to cure Rheumatism, without receiving any benefit. Finally, I decided to try 'Fruit-a-tives'. Before I had used half a box, I noticed an improvement; the pain was not so severe, and the swelling started to go down. I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place".

ALEXANDER MUNRO.  
50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

### VICTORIA POLICE ARE NOW UNIONIZED

Victoria now possesses a full-fledged police union affiliated with the Trades and Labor Council and organized to the last point as a labor organization.

As a result of the meeting of members of the department held at the Labor Hall, the union was formally completed. A charter had been obtained sanctioning affiliation with the central body of organized labor in this city. The first officers of the new union are: President, Jailer Hall; vice-president, Constable Thomas Palmer; secretary, Constable Bishop.

The question of organizing the force as a labor unit has been under consideration for some time past, and was not welcomed to any extent by the Police Commissioners. At the time the Vancouver force took steps to organize, the same course was agitated here, but nothing was done until recently, when the move for a union assumed definite shape. Other cities have followed the Vancouver example, the police departments of Winnipeg, Toronto and other leading eastern centres having become unionized.

George Clothier, district mining engineer, arrived north after attending the mining convention at Vancouver and conferring with the Minister of Mines at Victoria on the mining situation in this district. Mr. Clothier's report to the convention was generally acknowledged to be the most interesting given.
