

CONSTANT PAIN AFTER EATING

The Tortures of Dyspepsia Corrected by "Fruit-a-lives"

ST. MARTIN'S, N.B.
 "For two years, I suffered tortures from Severe Dyspepsia. I had constant pains after eating; pains down the sides and back; and horrible bitter stuff often came up in my mouth.
 I tried doctors, but they did not help me. But as soon as I started taking 'Fruit-a-lives', I began to improve and this medicine, made of fruit juices, relieved me when everything else failed."

LORD CURZON PESSIMISTIC OVER FUTURE

Says Vienna Appealed for Military Aid—Sees Clouds on Horizon Which May Burst.

(Special by G. T. P. Telegraphs.)
 London, April 10.—Defending the Military Bill in the House of Lords, Earl Curzon of Kedleston, Government leader, declared that Vienna "being in a serious position and being apprehensive lest it should share the fate of Budapest, had turned to Great Britain and said 'If you will send 10,000 British troops we can guarantee the situation.'"
 Earl Curzon was not sure that war conditions would not revise. He said: "I see clouds on the horizon which may burst at any moment in a more sinister form than anything yet seen. If critics of this bill can show the Government how to rule Ireland without maintaining 40,000 troops there, they will confer a great favor on the Government."

BIG LUMBER DEAL CLOSED

Three and Half Million Feet Sold To New York Firm by Local Dealer.

As an indication that there is a demand for British Columbia lumber in the east a deal has just been put through for 3,500,000 feet of spruce which is at present piled at the mill of the Giscombe Lumber Co. not far from Prince George. The purchasers are a New York firm and the sale was put through by F. G. Brynolson, wholesale lumber dealer of this city.
 The lumber is to be shipped at once and is only one of many similar deals likely to be consummated in the near future, as the local lumber is of good grade and is in demand in the eastern cities where spring building operations are commencing.

SUMAS RECLAMATION SCHEME GOING AHEAD

(Special by G. T. P. Telegraphs.)
 Victoria, April 10.—Next month the Government will be ready to call for tenders for a portion of the Sumas reclamation scheme whereby 20,000 acres of land will be rendered available for agricultural purposes. The estimated aggregate cost will be about \$1,000,000.

FLYING FOR ALL

Paris, April 10.—The firm of Farman have been studying means to place flying within the reach of all, and to promote this end the flying school at Toussaus-le-Noble, near Versailles, is to be reopened. Aerial trips will be organized, beginning with a tour over the aerodrome for beginners then pleasure trips round Paris, and finally visits to the battlefields and picturesque regions of France, also business trips. For aerial transport it will be possible to hire aeroplanes by the day or month at moderate rates. As soon as flying is authorized again by the military authorities it is predicted that aerial trips will become the new craze of Paris.
