### HERRING DRIFTER IS SUGGESTED TO OPERATE ON COAST

Advisory Board of Six Members Asked By Fishery Section of Vancouver Association.

Pointing out the increasing importance of the herring fishing industry to British Columbia, the fishery section of the British Columbia Manufacturers' Association has appealed to the department of marine and fisheries, FOR SALE-44 acres of good farm arging that a steam herring drifter be obtained by the department and put into operation on this coast.

The fact that the herring during the summer months frequents the inshore waters of the Alaskan coast but forsakes the inshore waters of this coast, has been pointed out to the department, as well as the necessity for devising some means of overcoming the disadvantage which the herring fishing industry in this province is subjected to.

Should the department accede to the request, the drifter will be engaged the whole year round a can of seeking new fishing grounds. One Pacific Milk is equal to a quart local firm has endeavored to carry on this work itself, it is pointed
