

# FRIENDS THOUGHT HE WOULD DIE

## "FRUIT-A-TIVES" Conquered Dyspepsia and Restored His Health.

MR. ROBERT NEWTON.

Little Bras d'Or, C. B. "I was a terrible sufferer from Dyspepsia and Constipation for years. I had pain after eating, belching gas, constant headaches, and did not sleep all at night. I lost so much weight—going from 185 pounds to 146 pounds—that I became alarmed and saw several doctors who, however, did me no good. Finally, a friend told me to try "Fruit-a-tives". In a week, there was improvement. The constipation was corrected; and soon I was free of pain, headaches and that miserable feeling that accompanies Dyspepsia. I continued to take this splendid fruit medicine and now I am well, strong and vigorous". ROBERT NEWTON.

Wc. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

# PROGRESS MADE ON SLIPWAYS

## President J. L. Mullen Gone East On Business But Will Return In Few Weeks.

J. L. Mullen, president of the Prince Rupert Drydock & Engineering Co., left this morning for Pittsburg and New York on business in connection with the firm. He expects to return in about three weeks' time.

Before leaving Mr. Mullen said he was well satisfied with the progress they had been making. Plans were now about ready for the fabricating building which is to be erected here and progress is being made on the excavations for the slips. Starting had been a little slow but now they were getting ahead. Steel should begin to arrive before long.

The fabricating building, Mr. Mullen said, would be of wooden construction but well built and permanent in character. It would be located at a point convenient to the slips.

### Housing Accommodation.

Work was going on nicely with the new boarding house and this he said would be up and ready to accommodate a number of men. Mr. Mullen said however that he was very anxious that other accommodation should be provided for the workmen, especially for those who were married and would bring their families here.

Mr. Mullen is keenly interested in the general progress of the town. He is purchasing everything possible here and believes in encouraging home industry.

### Machinery.

Speaking of the machinery and plant he said that most of the fabricating machinery would have to be purchased in the United States as the Canadian firms would not guarantee delivery under about eight months. The engines and boilers and other machinery for the ships, however, would be all made in Canada. It seemed a pity, he thought, that Canada could not supply everything.

# WAR VETERANS WILL PLAY REST OF CITY AT SOCCER FOOTBALL

The next big football game to be pulled off in the city will be the Great War Veterans against the city. This it is thought will be a very keen contest, as the War Veterans have a number of first rate men in both the St. Andrew's and the Sons of England teams.

The War Vets have an idea that in spite of the stiff joints and other disabilities under which they labor, the training which they have undergone will give them the advantage over their stay-at-home opponents, many of whom have not kept in good physical condition. At any rate it should prove a very interesting match. The date for it has not yet been set.

## AIR SERVICE
